### Halloween Art, Parade Contest Set for Saturday

Halloween art is scheduled to arrive early this year with the window artists vying for cash prizes. Roland Black, Chamber of Commerce manager, said Saturday he would still like to have more applications for the contest. Detailed information concerning the contest will be given by Roland Black when those interested make application to get into the contest.

There are four first prizes totaling \$30 in cash. All four prizes are \$7.50 in cash and winners will be decided Saturday evening. There is a first prize for grade school and one for high school. There are two different contests, one for window painting and one for Halloween Parade later.

Black said the windows would be painted Saturday morning and judged Saturday afternoon. Those participating in these events will be high school and grade school students. In each of the two divisions there are two \$7.50 cash prizes. All students who would like to enter the window painting contest or the Halloween Parade should see Roland Black as soon as possible. The contests will be held Saturday, Oct. 30, and that's only a few days off.

### No Contract Let For City Park

Mayor Hosea Foster said yesterday that the \$60,000 bond issue for the city park had not been sold or contracted; and that no contract had been let for construction of the park.

Several parks will be visited by members of the City Commission before a contract is let for any construction, stated Mr. Foster. While pretty definite plans had been made for the park, it is found that there are types of swimming pools on which the city will be able to save a considerable amount of money. One of these pools will be visited before the plans are definitely adopted.

### W. T. Faculty Man To Speak at Pampa Friday

Dr. Lowell Harrison, associate professor of government at West Texas State College, will speak Friday to the Pampa Kiwanis Club at the club's regular luncheon meeting.

"National Power in International Relations" will be Dr. Harrison's topic for the program arranged by Joe W. Black, Dr. Harrison, who joined the WT faculty in 1952, was a Fulbright scholar for a year at the University of London School of Economics. He traveled widely in Europe and spoke before many organizations and clubs while in England.

A native of Kentucky, Dr. Harrison is a graduate of Western Kentucky State College and holds the M.A. and Ph.D. degrees from New York University.

### Various Groups Report on Work Done in Rotary

Committee reports were featured at the weekly luncheon of the Canyon Rotary Club Tuesday.

A dozen visitors, including Irby Carruth of Austin, LeRoy LaMaster of Perryton, and others from wide areas heard reports on progress being made toward the Golden Anniversary of Rotary International which starts in February.

"Fifty Years of Rotary" will be the subject of a special illustrated book, orders of which must be placed at once. This together with the special edition of The Rotarian will be a contribution of the national office. O. W. (Bud) Parker is handling subscriptions for both of these publications.

Mr. and Mrs. Dan Sanders spent Sunday in Perryton in the home of their daughter, Mrs. Tom Knighton, and family.

Hurry and get your fall bulbs, time to plant them. Nice selection of Tulips, Dutch Iris, etc. H. R.'s Greenhouse.

### R. E. Ball's Funeral Held

R. E. BALL

Funeral services for Richard Earl Ball were held Saturday afternoon at 2:30 o'clock at the Methodist Church, conducted by Rev. Lester L. Hill. Mr. Ball died Thursday evening at 6:20 o'clock at Neblett Hospital where he was taken for treatment two weeks ago. He had suffered several heart attacks as a result of his illness.

Mr. Ball was 61 years, 7 months and 28 days of age at the time of his death. He was born at Plano, Collins County, and came to Canyon following his services in the 30th Division during World War I. He had been agent for Conoco for 15 years before joining the Brasher-Walsh Oil Company seven years ago.

Dick Ball, as he was familiarly known, was a member of the American Legion and of the Methodist Church.

Survivors are: his wife, Mrs. Irene Ball; one son, Richard Barnett Ball of Tucumcari, N. M.; one daughter, Mrs. Diris Herdt of Corsicana; two sisters, Mrs. Will Ford of Plainview and Mrs. Herman Houston of Odessa; two brothers, M. C. Ball of Long Beach, Calif., and F. Roy Ball of Shreveport, La.; and two grandchildren.

Pall bearers were: Jack Vincent, John Williams, Floyd Tomlinson, E. C. Robinson, Tom Brasher, Paul Lindsay, honorary, James Cole, Andy Walsh, J. D. Barker, B. C. Taylor, L. W. Cole, Houston Prichard.

Burial was in Dreamland Cemetery in charge of the Griggs-Warren Funeral Home.

### Dr. Birdwell Died Monday

Dr. J. A. Hill received a telegram Monday notifying him of the death of Dr. A. W. Birdwell at his home in Nacogdoches, following a heart attack.

Dr. Hill had several for a third of a century with Dr. Birdwell on educational problems of Texas. Dr. Birdwell was president of the Nacogdoches college during the time that Dr. Hill served as president of West Texas State.

Due to the illness of Mrs. Hill, Dr. Hill was unable to attend the funeral.

### Cancer Group to Hold Meeting

A meeting has been called of citizens interested in fighting cancer, the No. 2 killer in Texas, for Nov. 9 in Amarillo.

Randall county is included in the Cancer Society's District 3 group and will send a delegation of local citizens to hear the story of the fight being made to conquer cancer.

Dr. H. H. Latson, former Canyon physician who is now engaged in the practice of medicine in Amarillo, is one of the directors of the Cancer Society.

### Harrison Named Coach of Week

Coach Guy Harrison was featured in a television program show over KGNC as the Coach of the Week.

Harrison was the unanimous choice of high school coaches of the Panhandle because of the record that his Eagles have made with six straight victories this season.

Mrs. McGee of Oklahoma City, and Mr. and Mrs. Oliver Qualls of Amarillo were Sunday evening guests of Mrs. R. D. Lowry.

### Maize Crop Making Big Yield Locally

The maize crop is making another big yield in Randall county and elsewhere on the Plains.

Eighty-five loans were made on the maize crop up to Monday, and harvest is just getting underway in this vicinity.

While it has not been necessary to pile maize on the ground locally, it is reported from visitors to other sections that piles of grain on the ground is a common sight throughout the Panhandle area.

The harvest is producing much more grain than was originally expected. Irrigated crops are producing fine grain, and while irrigation is playing a minor role throughout Randall county, yet it is producing wonderful results in grain.

When the grain history of Randall county is written, it is expected that 1953 will go down in history as one of the best years that Randall county has enjoyed so far as maize is concerned. The wheat harvest was not so good, however, and farmers are looking expectantly to the grain-sorghums to pull them out of the hole this year.

### Miss Babston Is Honored

District 1, Texas Library Association, met in Lubbock Saturday, and honored Miss Linnie Babston of West Texas State by giving her a life membership in the association in recognition for her work in training librarians.

More than 50 former students who had taken work in library management of Miss Babston were present when the award was given. She has been in the college library here for 30 years, and is now librarian.

### District Governor To Visit Local Club

Jerry Debenport

The Rotary Club of Canyon will be host to Jerry Debenport, Governor of the 183rd District of Rotary International, Monday and Tuesday. He is making his annual official visit to each of the 38 Rotary Clubs covering West Texas and the Panhandle. Mr. Debenport will address the club and confer with President Frank Morgan, Secretary Bill Haggard, and committee chairmen on Rotary administration and service activities; and on plans for the participation by the Rotary Club of Canyon in the world-wide observance of Rotary's Golden Anniversary, February 23rd through June 2nd, 1955.

Mr. Debenport is owner and operator of a housing project in Odessa bearing his name, a native Texan, being born in Commerce. Here he attended the East Texas Normal College, later the University of Texas. He has been a Rotarian since 1922; is a former member of the Rotary Club of Childress; and now is a senior active member and past president of the Rotary Club of Odessa. He has served his district of Rotary International twice as General Conference chairman.

Bobby Morris, son of Mrs. Sylvia Morris, returned from Korea last week. He left for San Francisco Tuesday. He will receive his discharge there after having spent four years in the service.

### Pete LaMaster Visits Canyon Friday Morning

PETE LAMASTER

Leroy (Pete) LaMaster will bring an automobile caravan to head the final week of his campaign for Congress to the grass-roots voters of the 18th District October 29 and 30. LaMaster Headquarters in Perryton revealed that the tour will originate in Amarillo early Friday morning, Oct. 29, and will visit more than 30 towns in the district Friday and Saturday.

The Perryton farmer-stockman plans to meet as many citizens personally as possible on this tour and explain his program and the issues to the Panhandle voters. Confident of a comfortable margin of victory over his opponent and what LaMaster terms a "do-nothing" record, the Congressional candidate said he has been handshaking with thousands of voters who have urged him to bring out the truth of his opponent's voting record in Washington of 61 per cent against President Eisenhower's program. "The mandate of the people," LaMaster pointed out, "who voted 60 per cent for President Eisenhower in 1952 and the mandate of his own Democratic Party which supported Eisenhower against Adlai Stevenson has been ignored by the incumbent."

LaMaster added that his opponent publicly supported the Truman-Stevenson ticket then and "a look at his record since will show the people of the Panhandle that they have had no adequate representation in Washington since then," he said.

The itinerary for the two-day caravan tour stresses a time schedule to enable supporters to pick it up along the route. He will be in Canyon at 7:55 Friday morning. Then on to visit other towns at 8:10 a. m.

### Umbarger Boys Receive Ribbons

On Tuesday, October 19, the Umbarger 4-H club members met for the first meeting of the season.

John Brazil, county agent, handed out ribbons to two boys who had won them at the Tri-State Fair. Max Hoffman won first prize on sweet potatoes, third place on pop corn, third place on okra, and fourth place on peppers. He has been a club member for three years.

Ed Grabber won fourth place ribbon on his maize heads. He has also been a member of the Umbarger club three years.

Five new members enrolling at this meeting were Billy Albracht, Jimmy Brockwell, Mike Raef, Charley Alford, and Bernard Buecker. Officers elected were: president, Marcel Fischbacher; vice-president, Max Hoffman; secretary-treasurer, Ed Grabber; reporter, Gerald Beckman.

### Publishers Meet Borger Sautrday

A regional meeting of the Panhandle Press Association was held in Borger Saturday, with many publishers being present.

Meeting the competition of television was discussed at length at the meeting by Wayne Laham, advertising director of the Borger News-Herald, and Lowell Brown of The Amarillo News.

Due to conflicts, no representative of The Canyon News attended the meeting.

Mrs. A. B. Berry returned home Sunday after having visited in Shreveport, La., with her daughter and family, Mr. and Mrs. C. L. Patterson and Debbie for a week.

### Vote Tuesday in General Election May Be Light

All of the color and excitement of the summer primary elections are over and this being an off election the general election votes are expected to be light. The election will be conducted Tuesday, Nov. 2, and all the ten polling places in Randall county will be open. Polls will open at 8 o'clock Tuesday morning and remain open until 7 o'clock Tuesday evening.

One of the things that most of the people have probably already noticed this time is a lack of get-out-the-vote campaigns. Republicans have been working diligently to make the Panhandle a two party portion of the country. There is some speculation as to whether or not a light vote would cause an upset in some offices that are taken, more or less, for granted.

The ten polling places of Randall County that will be open Tuesday from 8 until 7 will be: No. 1, American Legion Hall, L. W. Cole, election judge; Box No. 2, Jewell School, J. J. Leavitt, election judge; No. 3, Ralph, Conway Kuykendall, election judge; No. 4, Ceta, E. W. Schaeffer, election judge; No. 5, Ladehoff, Lynn Bennett, election judge.

No. 6, Hollywood, H. W. Burrus, election judge; No. 7, Wildorado, L. E. Mason, election judge; No. 8, Umbarger, W. P. Jansen, election judge; No. 9, Alice Landergin School, J. M. Durett, election judge and No. 10, Lamar School, Perry Powell, election judge.

Although most of the people feel that they know who all or most of our elective officials will be, they can't be sure until after Tuesday's election. The primaries were only a nominative election in which the Democratic officials were nominated. The final word in this year's election will be when the votes are counted Tuesday evening.

### Only Two More Canyon Dollar Days For 1954

Canyon's own Dollar Days should prove popular for the remainder of this year. The holiday season is upon us and everyone is looking for holiday values. In answer to such a need is the Dollar Day values offered by local merchants each month. There are only two more of these days before 1954 becomes history.

Next Dollar Day values for the Canyon citizens will be Friday, Nov. 5. Merchants of the town are already planning the public at that time. It was brought out in a discussion that well planned values will lend more popularity to the local Dollar Day program.

It is expected that interest lag in such a program during the summer months. This is the time that many people are taking their vacations and having friends and relatives visit them. The daily schedule of living is moving so fast that many people can't slow up enough to take stock of many summer values offered.

With autumn comes the necessity of buying for the holidays of fall and winter. Children are in school and the home atmosphere becomes more business-like. This is the time to really appreciate Dollar Day values. There are only two more for 1954. They are November 5 and December 3; be sure to get in on the values offered in Canyon on these last two big Dollar Days of 1954.

### R. B. Allen Wins Efficiency Award

A certificate of efficiency has been awarded to R. B. Allen, owner of the local Credit Bureau, by the Associated Credit Bureaus of Texas.

The award certifies that Mr. Allen has completed a prescribed course of study and met other requirements established by the Associated Credit Bureaus of Texas. The award entitles the Credit Bureau of Canyon to all rights and privileges for one year.

Signing the certificate, which will be hung in the local association, were William J. Strickler, president, and Charles T. Lux, executive vice-president of the Associated Credit Bureaus of Texas.

### Underwent Surgery At Dallas Monday

George Nance underwent an operation at Dallas Monday when his left lung was removed.

Dr. C. R. Nester flew to Dallas to be with him at the operation, returning Monday night.

### Second Vote Soon on E-way Bond Issue

Randall county tax-payers will vote on the expressway bonds again probably on December 4. This time the bond issue will be for \$900,000, which is estimated as the cost for the right-of-way from Amarillo city limits to Canyon.

A petition was presented to the Commissioners Court Monday by Roland Black, secretary-manager of the Chamber of Commerce, asking the Court call an election for \$750,000. After an all day discussion, it was determined that the amount would not pay the expense of the right-of-way.

When the Court met again Tuesday afternoon Black was requested to withdraw the petition and circulate another for \$900,000. If all of the money is not needed the bonds will not be issued, according to members of the Court.

The Court will hold a special meeting next Monday at which time the official call will be made for the election, and the date set. It was thought that the election would be held on December 4.

In the first election, the bond issue carried, but failed to receive a two-thirds majority which was needed.

### First Freeze Hit Oct. 26

While frost covered much of Randall county last week, it was not until last night that a general freeze hit the Panhandle.

Vegetation which remained undamaged following the first frost will undoubtedly curl up and die following this freeze. The temperature stood at 30 degrees above zero this morning.

### Pioneer Gas. Co. Supper Peps Old Stove Round Up

With John Hunter as master of ceremonies the local branch of the Pioneer Gas Company was host to dealers of gas appliances in Canyon and Happy at a steak dinner on Monday evening at the Chuck Wagon Cafe.

This the sixth annual dinner in Canyon was given to spark the Old Stove Round Up sponsored by the gas company each year. Bill McCarrroll of Amarillo and Bill Brown of Lubbock, district advertising managers, were the after-dinner speakers.

"To sell, know your product. Tell it to your customers in such a way that they know you know that product and believe in it," said McCarrroll, which is a point well stated for every branch of selling.

Old Stove Round Up extends from November 1 to November 30. Especially during that time dealers are eager to show their ranges and explain in detail the highly efficient and convenient new automatic gas ranges.

Door prizes were won by Mrs. H. V. Anderson, Cecil L. Wesley of Happy, and Mrs. Guy B. Tabor.

Those present included Mr. McCarrroll and A. B. Turner of Amarillo, Mr. Brown of Lubbock, Mr. and Mrs. Keene McDonald and Mr. Wesley from Happy, John Hunter, O. W. Parker, C. L. Thompson, Orvil Brummett, Billy Black, C. E. Thompson, Chester Reynolds, S. L. Terry, Jim Boyce, Mr. and Mrs. A. M. Cunningham, Earl Crump, Mr. and Mrs. H. V. Anderson, Miss Elizabeth York, Mesdames Gladis Samples, Gladys Haines, Tabor, all of Canyon.

A son was born to Mr. and Mrs. Raymond J. Gerber of Umbarger on Oct. 23.

Mr. and Mrs. Herman Ivins of Amarillo are the parents of a son born Oct. 24.

### MARRIAGE LICENSE

Bernard Paul Hartman to Miss Barbara Ann Raef, Oct. 21.

Roger Lynn Glandon to Miss Shirley Delizee Glenn, Oct. 21.

Twenty-five per cent of the population of the South American republics is illiterate.

### Navy Band To Play at WT on November 4

Cdr CHARLES BRENDLER, USN, Conductor

When the United States Navy Band appears in two concerts Nov. 4 at West Texas State College, Panhandle music lovers will be given a rare opportunity to hear one of the nation's top musical organizations. "The World's Finest" will present a matinee and evening performance in the first of a series of special programs set for WT students.

Sponsored by the WT Buffalo Band, the matinee at 3 p. m. in the Administration Building auditorium is arranged primarily for school children of the area. Tickets are 75 cents each. The evening performance is a part of the special program series, with admission only by season ticket. A few tickets for the four-program series are still available for the general public and are on sale in Canyon and at the Amarillo Center.

Since 1925, when the Washington Navy Yard Band was designated as the official U. S. Navy Band by a special act of Congress, the concert group has toured the Western Hemisphere and has made thousands of radio broadcasts.

The Navy Band contains within itself a complete symphony orchestra, which presents the works of the great masters as skillfully as any group in the country. On the other hand, its ultra modern "swingphonette" section gives sparkling personality to light operas and the latest "hit" tunes.

Conductor and officer in charge of the band is Commander Charles Brendler, who has been with the Navy Band since it became the official Navy Band in 1925. He became assistant conductor in 1937, rising to conductor in 1941. In 1947, as a tribute to his distinctive and unlimited ability, he was promoted to the rank of Lieutenant Commander. He attained the rank of full commander by act of Congress in 1953, highest rank ever held by a musician in the Regular Navy.

### Three Directors to Be Selected C of C

Roland Black, secretary-manager of the Chamber of Commerce, took votes of Chamber of Commerce members Monday on three directors who will be announced at the annual meeting of the Chamber in December.

The names of a dozen local citizens were submitted to the members for the choice of three persons who will be named.

Hurry and get your fall bulbs, time to plant them. Nice selection of Tulips, Dutch Iris, etc. H. R.'s Greenhouse.

## EDITORIAL COMMENTS

## Just One Vote Has Decided Many Major Questions in USA

Shortly most of the country will have the opportunity to vote for Congressmen and Senators in the 1954 elections. In spite of the fact that voting is the responsibility of every citizen it is not too likely that more than 50 per cent of the eligible voters will go to the polls.

Too frequently we hear this question: What good will one vote do? Well, one vote has had a lot to do with a lot of things in this country.

Thomas Jefferson was elected President by one vote in the electoral college. So was John Quincy Adams.

Rutherford B. Hayes was elected President by one vote. His election was contested and it was referred to an electoral commission. Again he won by a single vote. The man who cast that deciding vote for Hayes was a Congressman from Indiana who was elected to Congress by a margin of just one vote — incidentally cast by a friend who though desperately ill insisted on being taken to the polls to cast his vote.

Just one vote gave statehood to California, Idaho, Oregon, Texas, and Washington — thus the millions living in those states are citizens today because of just one vote.

And the "one vote" situation doesn't apply just to the past. In 1948, Mr. Truman carried the state of Ohio by 7,107 votes. If one additional voter in each of the 8800 election precincts had gone to the polls and voted for Mr. Dewey, Truman would have lost Ohio.

Just one vote—YOUR vote—IS important! Here a job for every citizen — a simple, inexpensive job that can mean so much to your country:

First: Pledge that you and your family WILL VOTE.

Second: Talk to not less than 10 of your influential friends and urge them to make a similar pledge for themselves and their families.

Third: Ask each of these friends to get similar pledges from their friends.

Your money — your property — your life — are all invested in the biggest going concern on earth — America and its free enterprise system. If your stake in this venture is valuable to you it is your duty to your country, your family, your neighbors and yourself to go to the polls and vote for the men that you want to run your country . . . and to see that others do likewise.

## Former President Harry Truman Blasts Eisenhower in Speech

Former President Harry S. Truman looses a blast at the Republican party in general and President Eisenhower in particular. Harry is of the opinion that no president since the New Dealer was sidetracked by the people is worth a dang.

He may be right, but after all the people spoke two years ago and Truman and his friend, Adlai Stevenson, were sent to the bench to lick their wounded pride. The people said that 20 years was enough and spoke in mighty tones.

The people will speak again next Tuesday. The tones will be much subdued from those of 1952.

President Eisenhower has seen the handwriting on the wall and it told him to get busy to save his party from defeat at the polls.

Frankly, we are at a loss to know what is right or wrong, but be that as it may, if recovery is ever to be achieved, A LOT OF US WILL HAVE TO SUFFER.

Just now the administration is worried about the farmers—how will they vote? The President pointed out the fact that farm prices had started their downward trend during the Truman administration. Yes, but unfortunately, the skid continued throughout the Eisenhower administration, and little was done about the situation. On the other hand organized labor received increases in wages at the expense of the average man.

Business is off throughout the nation, but the President says that the decline is justified since all of us will save on our federal tax bill because the fact that he is saving so much in operating costs of government.

Truman, the boy who believes that the government should give away its resources, says that the President is all wet; that the federal government should give away until it hurts.

Go to the polls next Tuesday and vote your sentiment, regardless of what your feelings are.

## Pete LaMaster May Be Good Candidate—We Take Rogers

During the recent primary in Texas a weekly newspaper man who had supported Stevenson in 1952 came to our office and declared that he was for Governor Shivers because he alone stood for the newspapers of Texas. The Governor was a newspaper man himself, and was using liberal newspaper space in the newspapers.

We have not heard from this publisher, but here we have practically the same situation. Pete LaMaster of Perryton is a liberal advertiser in the 18th Congressional District, while his opponent has not seen fit to buy an ad in any newspaper unless he does it this week.

However, we are of the opinion that the ads which Mr. LaMaster bought and paid for will not get him the job.

We are pretty well acquainted with Congressman Rogers, and have observed his work in Washington. We have an idea that not all Republicans will vote for LaMaster, and certainly few Democrats will leave the party this year to vote for him.

We are no prophet or son of a prophet, but we are of the opinion that some one has spent a lot of money on the LaMaster campaign and that he will not be elected.

Congressman Rogers will get our vote next Tuesday.

STORE LOOTED by burglars is not a new story, but it is something new when the store has a safe which is strong enough to withstand the battering of burglars. The merchandise loss has been light in Canyon. For the convenience of customers The First National Bank has installed a night depository vault which insures the safety of cash placed in the vault overnight. Those firms which lack in good safe equipment should invest in this night depository as a precaution against theft of valuable cash.

## Vote Next Tuesday in Election On Constitutional Amendments

Next Tuesday, November 2, will be the date for the General Election in Texas. Naturally there is little incentive for folks to become all hot and bothered about this election since there are few candidates outside the Democratic party running for office who have the slightest chance of election.

It would be a fine thing if all qualified voters of Randall county would go to the polls and express their opinions, but that is asking too much in view of the ballot which will confront them.

We have heard a lot of interest in two constitutional amendments which will be submitted this year: One is for the building commission, which the lawyers of Texas are sponsoring in view of the fact that the expenses for building an office building in Austin would come out of the Confederate Veteran fund, which has a big balance; and the other is to increase the pay of members of the legislature, and at the same time make it possible to increase the pay of a number of state officials which are now constitutionally set.

As we pointed out last week, it would be easy for all of the amendments to be carried if there was interest in their passage.

However, we read that there is opposition to both of the above amendments as outlined above, coming from different parts of the state. As a matter of fact we have heard opposition expressed against all of the amendments. If the opponents manage to get the votes out, all of the measures will be defeated.

We have not changed our opinion as originally stated that none of these measures are carefully enough drawn to warrant a place in the constitution of Texas. After all, why should we be attempting year after year to amend this old constitution, when Texas needs and is entitled to a new constitution, which would not cost as much to adopt and pass as the old measure which we keep attempting to amend. We are of the opinion that it will take some strong political character to get behind a constitutional convention idea in order to put this measure over with the people before anything constructive is accomplished.

Go to the polls on next Tuesday and cast your vote. We have no idea as to whether our ideas are correct or not; it is up to you to decide.

## Jittery Age in Which We Live Applies to the Case of Judge

To say the least, the people of Texas have a good case of the jitters.

Take the case of C. Woodrow Laughlin, for instance. We do not know Laughlin, or George Parr, whom he represents, or any of the gang down in Alice where he holds forth.

The jitters came about in a most peculiar manner. Laughlin was a candidate for District Judge in the recent primary election and was elected. The Supreme Court had previously said that he could not hold the office, but he was elected nevertheless.

Judge A. S. Broadfoot had accepted the assignment to hold court in the district vacated by Laughlin. He quit and went home. Cases began to pile up and Governor Shivers called in Laughlin, the legally elected judge of the people to discuss the situation. It was rumored immediately that the Governor was thinking of appointing Laughlin to fill out the unexpired term, or until January 1st.

We have no idea who started the argument or to what purpose it was started, but letters and telegrams started to pour into Austin against the appointment.

Governor Shivers has never said what he talked about with Laughlin or whether he offered Laughlin the job, but two judges from other courts showed up to try the backlog of cases.

Thus a tempus in the teapot was saved, and all is again quiet on the Austin front.

## City Park Bonds Passed by a Big Majority Shows Interest

We are very glad that the city bond issue was voted by such a heavy majority, 351 to 67. The people of Canyon have learned that no city improvements are to be made without taxing themselves, and paying the bill for such improvements.

For 25 years or more we have been talking about a city park. Now that \$60,000 have been made available to the city for building this park, a beautiful place is possible.

Let's all of us get behind the project and help as good citizens make the city park a real institution of beauty and everlasting enjoyment for the people of this community.

ONE VOTE counts in any election. Your vote may decide one or more of the constitutional amendments to be presented to the voters of Texas next Tuesday. Go to the polls and express your opinion, regardless of what that opinion may be.

The custom of sending several hundred Christmas cards to friends and neighbors one sees every day degenerates into a chore, plus worry about sending them to those sending to you.

After reading some of the ads, we are almost afraid to put some of the new gasolines in our car, lest it take off and pass everything on the road with its "new power."

Legends and repudiated military theories die hard when there is an abundance of writers selling books about "mysterious" behind-the-scenes conspiracies.

Regardless of the outcome of the election, the country should close ranks and present a solid front to the world in the field of foreign relations.

Grade school children are too young to take part in night-time athletic events, despite the fact that "papa" enjoys watching them.

Most people say they want to be better informed, but keep on reading trash, which is the tip-off on their determination.

We will be glad when the election is over and the demagogues cease their efforts to stir up the citizenry on this and that.

It is harder to listen to an ignorant man's opinions than to express your own, but it usually pays to listen.

The editor who can solve every local, national and international problem is a wow—we will admit.

Corpus Christi was once bombarded with whiskey.

It was back in the War between the States. A Union fleet bombarded the city. First, another delight about it. A man was in an upper room where he was confined with rheumatism. As the fleet approached, relatives wanted to move him to safety but he said he would rather die than undergo the pain of being lifted to a stretcher. So, sorrowfully, the others left. A couple of minutes later, a cannonball tore through the room and he tore out. He jumped out of that bed, ran down the stairs and reached the top of the bluff 50 yards before his kinfolks did.

Some of the shells failed to explode. A thrifty settler from Germany wanted the powder so he got a colored man to drill the fuse out—and it was found that the shell was filled with whiskey.

This started a search and other shells loaded with liquor were found. Here is the explanation: Some of the Federal sailors had "swiped" a barrel of the captain's whiskey and then they removed the charges from some of the shells and put the whiskey in. From time to time, they drank the contents but some of the shells were still so loaded when the battle took place.

And so that is how Corpus Christi was bombarded with whiskey!

## Both Mitchell and Hall Predict Party Victories at Poll Nov. 2

By HARRY S. DENT

WASHINGTON: As the Democratic and Republican campaigns for control of Congress head into the home stretch, both party chiefs are predicting victories at the polls on November 2.

In an interview with this newspaper's Washington correspondent, Democratic Chairman Stephen Mitchell forecast the "biggest Democratic sweep since 1936" when Franklin Roosevelt carried every state in the union except Maine and Vermont. He said he expects to see the Democrats in the saddle in both houses of Congress come January.

Mitchell estimated his party's victory in the House will be "about 40 seats," while he refused to give a number for the Senate margin, saying only: "We'll win control there, too."

Republican Chairman Leonard Hall is not quite as optimistic about the margin of victory for his party. In an interview with this newspaper's Washington correspondent, Hall gave this forecast:

"My prediction on the House is that we will win by a margin of as high as 15 seats. In the Senate we expect to maintain our control also."

Hall said he expected the GOP to score a victory in the 1954 Congressional elections "because the people want a continuation of the Eisenhower Administration's dynamic legislative program that fared so well under Republican Congressional leadership in the 83rd Congress."

Mitchell, however, said the change in leadership control will be brought about by the "switch" voters who switched from the Democratic Party in 1952 to support Ike. He said they account for 12 per cent of the vote, adding:

"That's the 12 per cent we are leading by right now. The switch voters are coming back to the Democratic fold. In 1952 they either overlooked or ignored the alliance between the Republican Party and special interests."

"You certainly don't see anyone who voted for Stevenson in 1952 now saying they're for Ike, do you? Of course not. The people are sick of the 'great crusade'."

Coed: Dad, the girl that sits next to me in class has a dress just like mine.

Dad: So you want a new one?

Coed: Well, it would be cheaper than changing schools.

### SAVES BABY

Frederick, Md. — Millard Buckley Lamb, 16-year-old white boy, heard the explosion that set the frame house of Mrs. Charles Weedon, 19-year-old Negro woman, on fire. He rushed to the burning house to find the woman in flames on the ground outside the kitchen door. The youth burned his hands beating out the flames on the woman, then crawled on his hands and knees into the furiously burning house after the dying mother mumbled that her baby daughter was still inside. Lamb found the infant and carried her to safety just seconds before the walls of the house caved in. The mother died of the burns.

### FLYING MAIL

The Post Office Department's year-old experiment flying 3-cent letter mail between certain major cities has saved almost ten billion hours of delivery time, according to the Air Transport Association. The Association said that during the first year of experiment the public paid the Post Office Department \$29,500,000 for this service and the Department, in turn, paid the airlines \$1,830,000. The test is being conducted between Chicago and two East Coast cities—Washington and New York, and between those cities and Jacksonville, Tampa and Miami, Florida.

After Calvin Coolidge made it known that he did not choose to run again for the Presidency, he was besieged by reporters for a more elaborate statement. One member of the press was more persistent than the others, and asked him, "Exactly why don't you want to run for President again, Mr. Coolidge?"

The President's solemn reply: "No chance for advancement."

Mrs. Brown was complaining to her doctor that his bill was much too high. "Don't forget," he reminded her, "that I made 11 visits to attend Tommy at your home when he had the measles."

"And don't you forget," she replied indignantly, "Tommy made you wealthy by giving the measles to the whole school!"

The essence of woman's romance is

A tactical, soldierly feat; Repulsing, at first our advances, She blocks, at the last, our retreat.

### ARMS AID IN EUROPE

Nearly \$6,000,000,000 of American military assistance will be poured into Europe, much of it in the next two years, according to an announcement by Gen. Orval R. Cook, deputy U. S. commander in Europe. This is the balance of about \$12,000,000,000, he said, which has been programmed by the United States since 1949 for aid in European defense, "more than half of which has been delivered."

### NOBEL PEACE PRIZE

It has recently been announced that the Norwegian Nobel Prize committee will award no Nobel Peace Prize this year—the first time in many years that the world is free of a major war. General George C. Marshall, of the United States, won the prize last year and, at the same time, Dr. Albert Schweitzer was given the peace award for 1952, when it was omitted in similar fashion, without explanation.

### TV

### OLD AGE

The report of the International Congress of Gerontology, based on a survey of white centenarians in the United States, indicates that those who survive the "dangerous retiring ages" of 60 to 70, rarely succumb to diseases of old age. They are able generally to support themselves "emotionally as well as financially" when successfully past that critical age period.

The little man was pushing his cart through the crowded aisles of the big supermarket.

"Coming through," he called merrily. No one moved.

"Gangway," he shouted. A few men stepped aside.

He ruefully surveyed the situation, thought a minute, and shouted:

"Watch your nylons."

The women scattered.

Friend: "Has your wife changed very much since you married her?"  
Husband: "I'll say—my habits, my friends, and my hours."

## Reed Sheet Metal Works Is Leader In Panhandle Area

No review of the business and industrial interests of the area would be complete without mention of Reed Sheet Metal Works which is located in Amarillo at 1507 West 7th St. This progressive concern, which was established in 1924, is headed by E. P. Reed, owner.

Mr. Reed has had many years experience in the sheet metal business and he personally supervises every job and sees that it is turned out properly. He employs only experienced and competent workmen and the materials used are the best obtainable. They specialize in all types of sheet metal work including heating and air conditioning, ventilation, skylights, etc., and also repair work is a specialty.

When this concern was established Mr. Reed set up a policy of top quality work, friendly service and fair prices, and from this policy there has been no deviation and this is one reason why this firm enjoys an ever-increasing volume of business.

For those contemplating work which demands the services of a competent sheet metal engineer and designer, the services of E. P. Reed are highly sought. He will be glad to discuss your particular requirements with you and recommend the best possible means to accomplish your desires. You will find him most cooperative and he will offer many suggestions based on his knowledge of the sheet metal business that will be of benefit to you. It is with pleasure that we salute this well-known concern and wish them continued success.

## DINNER BRIDGE CLUB MEETS IN HOSEA FOSTER HOME WED.

On the evening of Wednesday, Oct. 20, Mr. and Mrs. Hosea Foster were hosts to the Wednesday Night Dinner Bridge Club.

Halloween decorations lent a festive atmosphere to the occasion.

High score winners were Mrs. Jerry Newman and Milton Morris. Those present were Messers, Robert Jarrett, Otis Parker, Roger Whealy, Milton Morris, Houston Bright, Larry Holman, and the Fosters.

Mr. and Mrs. W. H. Hamblen and son, Randy, of Bellville, Ill., are visiting his parents, Mr. and Mrs. Alfred Hamblen.

L. W. Cole and Clyde W. Warwick drove to Tucumcari Saturday on a business trip.

## WESTSIDE CLUB REPORTS TWO MEETINGS; ELECT OFFICERS

Mrs. J. T. Brown was hostess to the Westside Home Demonstration Club Wednesday, Oct. 6.

Mrs. T. J. Myers called the meeting to order with the club prayer. Roll call was answered with old superstitions.

Miss Lou Ella Patterson prepared cold meat salads that were served with wafers, cake and coffee by the hostess to Mesdames E. T. Zachry, R. A. Burrus, Ray Metcalf, T. J. Myers, B. A. Burrus, and Miss Patterson and the hostess.

On Oct. 20 the club met with Mrs. Ray Metcalf.

Mrs. T. J. Myers presided. Roll call was answered with something each had learned in club work the past year. Mrs. Lewis Harvey read the council report.

New officers for 1955 are: president, Mrs. Lewis Harvey; vice-president, Mrs. Ed Bourn; secretary-treasurer, Mrs. E. T. Zachry; council representative, Mrs. T. J. Myers; kitchen demonstrator, Mrs. R. O. McKay; clothing demonstrator, Mrs. E. T. Zachry.

A short recreation period was held.

Mrs. Inez Shipman, guest speaker, gave an interesting report on the state meeting which had as its theme, "Home, the Cornerstone of Freedom."

Bernice Grabber, Gold Star Girl for 1954, and Mary Hoffman, Gold Star Girl for 1955, gave full reports of their 4-H work. Each received a gift of appreciation.

Refreshments of pimento cheese sandwiches, cookies, olives, coffee and tea were served by the hostess to the three guests and 12 members.

Next meeting will be with Mrs. B. A. Burrus on Nov. 3.

## DEN 2 CUB SCOUTS REPORT

Den 2 Pack 97 held its weekly meeting Oct. 19 at the home of their den mother, Mrs. Herbert Bruce.

Those attending were the assistant den mother, Mrs. W. A. Moore, and Cub Scouts Jerry Bruce, Wam Moore, Mackey Sides, Charles Harrison, Ricky Hearn, and Stephen Langston.

Meeting opened with the Cubs saying the pledge of allegiance. Then they divided into two groups to be given their Bobcat test.

After completion of the tests, games were played and refreshments were served.

Four members of the Eastern Star attended the Grand Chapter meeting in Houston. Mrs. Allene Leake, worthy matron, Mrs. Faye Cannedy, associate matron, Mrs. Ildegere Wirt, and Mrs. Marie Hair drove down Saturday to attend the meeting and do a little sight-seeing in Houston.

## Buyers Find Good Used Cars at Sikes Motor Co.

There is no gamble in buying a used car if careful consideration is given to the reputation of the company from which the purchase is to be made. The prospective buyer should take every precaution in order to assure himself that the firm he is dealing with has a background of experience in the business and a record for fair and honest business transactions. In this respect none rates higher than Sikes Motor Co., located at 600 Pierce St. in Amarillo (Phone 4-8611), and headed by Robert H. Sikes, owner.

This prominent Amarillo used car dealer has directed every effort towards satisfying the many customers and friends who have elected to make their trades and purchases through his car lot, with the result that complete satisfaction has followed. A reputation for absolute dependability has been the goal of Sikes Motor Co.

That they have been eminently successful in their chosen field is evidenced by their many satisfied customers and they have become known as "used car headquarters" throughout the Panhandle area. Here are always to be found a complete line of fine new and used cars. Sikes Motor Co. carries its own paper and they will trade for your car.

It is appropriate that we pay tribute to Mr. Sikes and the company which bears his name for the conduct of their business and to wish for them many years of continuous, successful operation.

## BUSINESS MEN'S BOWLING

Business Men's Bowling League plays its first game of the season Thursday, Oct. 28, at 7:30 p. m. All who have teams are urged to have their members present.

Four complete teams are ready to begin action.

Rev. Strauss Atkinson, pastor of the First Baptist Church, was able to fill his pulpit Sunday morning. Rev. Atkinson underwent surgery at Nebbett Hospital recently, and is almost recovered. He will not be able to fill his pulpit in the evening for some time.

Mrs. S. L. Ingham was one of two members honored at the luncheon of P.E.O. in Amarillo last Tuesday. Mrs. Ingham has been a member of the organization for 58 years, having joined in Iowa where P.E.O. was organized.

"Science increases our power in proportion as it lowers our pride," —Claude Bernard.

## Contractors Depend on Texas Sand & Gravel Co.

Serving this area with the very highest quality sand and gravel, the Texas Sand & Gravel Co. has built a business based on quality materials and the best of delivery service. This progressive concern, which is located at 92 Harrison Street in Amarillo, is headed by Roy P. Eastland, Jr., and George M. Smith, Jr., co-owners.

Contractors and builders throughout the area know that the washed sand and gravel, also the remix and pit-run sold by Texas Sand & Gravel Co. will pass all inspection tests and will be promptly delivered when needed.

With the demand for construction materials at their peak, this popular Amarillo sand and gravel concern is able to give their many customers the very best of service and materials, and it is for this reason that contractors and builders in the Panhandle area immediately think of Texas Sand & Gravel Co. of Amarillo when they are in need of aggregates.

This dependable concern is operated under a policy of fair prices, the best of materials and an efficient and dependable delivery service, and for no reason do they alter this policy which accounts for the nice repeat business which they enjoy as well as the new customers and friends they are acquiring daily.

We are glad in this review in our paper to recommend Texas Sand & Gravel Co. of Amarillo to our many readers. Roy Eastland and George Smith have built an enviable reputation for their company based on quality products and good service.

World Community Day will be observed in Canyon at the Methodist Church on Friday, November 5, at 11 a. m. A covered dish luncheon will be served at noon. Mrs. K. E. Frieze is in charge of the program, and she invites the women to bring a bundle of clothing and join in the world-wide celebration.

Millions of American church women are stretching helping hands across the world to share the abundance of America's good life. High point of this sharing comes on World Community Day, observed annually on the first Friday of November, which will be November 5th this year.

Gifts include both money and vitally needed clothing, household linens, and blankets. Because of the \$99,000 offering given on World Community Day in 1953 there are many families of displaced persons feeling "placed" again. To a four-year-old girl in northern Greece, left homeless by an earthquake, went a bundle of clothing — a warm woolen dress, a cap and the first pair of shoes in two years — protection against the cold mountain winds of her native village.

World Community Day is sponsored by the United Church Women, a department of the National Council of Churches of Christ in the U.S.A. With programs planned around the theme "Building Lasting Peace" church women in thousands of communities will meet this year on Friday, Nov. 5, to pray for world peace and to dedicate their gifts of clothing, blankets and household linens.

The special offering will help Church World Service in financing the sending of United States Surplus food overseas. This offering will go into the building of life, friendship and peace, and will help sustain the hope of the world.

Greater still is the effect upon Christian thinking in America, and the message of love and concern which your gifts convey to people

overseas. You are building peace! World Community Day is far more than just a day — it is a daily year around concern for the suffering of mankind. It is a constant striving for justice and freedom for all men, a keeping open the pathway for peace that Christ may walk therein and that the world may follow in His steps.

#### HOW HE KNEW

A man fell into a coma and it was several days before he awoke. Later he spoke of his experience to a party of friends.

"Oh, yes," the young man said in reply to a question. "I knew all the time what was going on, and I also knew that I wasn't dead, because my feet were cold and I was hungry."

"I see," said one of his friends, thoughtfully; "but how did that make you think you were still alive?"

"Well," answered the man, "I knew that if I were in Heaven I wouldn't be hungry, and that if I were anywhere else my feet wouldn't be cold."

#### POOR LIKENESS

Gilbert Stuart, the celebrated portrait painter, once met a lady in Boston, who saluted him with:

"Ah, Mr. Stuart, I have just seen your miniature and kissed it because it was so much like you."

"And did it kiss you in return?"

"Why no."

"Then," said Stuart, "it was not like me."

#### UNHAPPY WINNER

Sydney, Australia. — Mrs. Edith Needham, 71, put her head down on her kitchen table and cried when her husband, 86, told her their ticket in the state lottery had won first prize—6,000 pounds. "I don't want a new house, I don't want a car or a refrigerator and I don't want the money," Mrs. Needham declared.

#### 'CHEAPER BY THE DOZEN'

Baltimore, Md. — When Mr. and Mrs. Mathew Wagner became parents again recently, the baby was another boy—the 12th son in the family. There are no girls. The oldest son is 15.

#### CARRY SPLINTS IN CAR

Iowa City, Iowa. — As a precautionary measure, because broken bones occur so frequently in automobile accidents, Dr. R. S. McClintock, orthopedic surgeon, advises: Every motorist should carry something in his car—such as a 2-inch by 3-foot piece of plywood, which could be used as a splint—just in case.

# The Basic Idea Behind the All-New 1955 PONTIAC

On Display October 29 and 30

**ABOUT 30 years ago** General Motors Corporation presented to America a new car called Pontiac. This new car was the direct result of a very specific idea.

**The idea was this:** to create a car which took its style, its engineering principles and its features from the very best and most expensive in America—and to build these into a car priced just above the very lowest!

Naturally, such an idea produced a wonderful and highly popular car—a car which millions of satisfied owners have driven with outstanding pride and pleasure.

Now, nearly three decades later, an entirely new Pontiac has been created for 1955—a car completely new from the ground up!

**One thing,** however, about the 1955 Pontiac remains unchanged—its *basic idea*—to offer the American public the very finest car that can possibly be built to sell at a price within easy reach of any new-car buyer.

**When you see** the new Pontiac on Friday or Saturday—Oct. 29 or 30—you will be immediately impressed by its remarkable new styling. No other car in the world looks like this new Pontiac!

**When you drive** it you will be astonished at its performance. For the 1955 Pontiac introduces the powerful new Strato-Streak V-8, an all-new engine that *has already been proved in more than 3 million test miles!*

**When you price** the new Pontiac you will come face to face with the basic Pontiac idea—you will be agreeably surprised that so much car, so much sparkling newness, so much luxury, so much downright goodness can be priced so near the very lowest.

We cordially invite you to come in on Friday or Saturday and see for yourself what a superb all-new General Motors masterpiece has been created to carry the wonderful name "Pontiac" for 1955.

AUSTIN: Absentee balloting in the November 2 general election started October 13 but no one is expecting the peak of interest that saw 1,400,000 voters turn out for the Democratic August run-off primary.

However, Governor Allan Shivers said he hoped Texas voters would not by-pass the election. He is supporting all 11 constitutional amendments on the ballot which would be "very helpful" to Texas, he added.

Besides deciding the official election of political candidates and amendments, votes cast in the election will determine representation at 1956 local political party conventions.

#### Antitrust Laws

Attorney General John Ben Shepperd has told the Texas Supreme Court that it hindered state efforts to enforce antitrust legislation when it ruled it had no jurisdiction in an El Paso case.

The court decided in July to let the National Labor Relations Board handle the case of Truck Drivers, Chauffeurs, Warehousemen and Helpers Local No. 941 against Whitefield Transportation Company.

By reversing decisions of two lower state courts against the union and ruling that it did not have jurisdiction, the Supreme Court had the effect "of placing labor unions, as well as employers who conspire in restraint of trade," beyond the jurisdiction and enforcement of the state, argued Shepperd.

#### Minimum Wage

A state minimum wage law has been advocated as part of a legislative program adopted by the executive board of the State Federation of Labor.

The board favors setting a minimum wage of 75 cents an hour.

It also called for 200 additional state highway patrolmen and an increase over the present \$290 a month pay for a 60-hour week.

#### Road Financing

A boost in gasoline taxes and a weight and distance levy on heavy trucks are being considered as ways of providing additional financing for Texas highways.

Pondering the ideas are members of 58 public and private organizations called together by the Texas Highway Commission at the suggestion of Governor Allan Shivers.

Texas has reached the point where added improvement must be made on roads, Shivers told the group.

Need was shown at the meeting for \$2.2 billion for necessary improvement and construction on Texas' 51,000 miles of roads. A one-cent gasoline tax-hike would bring in \$20,750,000, a discussion of ways to provide financing pointed out.

The group will meet two more times with final proposals to be submitted to the governor.

#### Vandalism

Vandals operating on state highways are costing taxpayers \$200,000 annually, highway department officials point out.

Enormous expenses are inflicted by destroying and damaging highway signs, littering roads and roadsides, and tearing up roadside-park facilities, spokesmen said.

Signs are the most popular victims, either being destroyed outright, taken home for souvenirs, or scrawled on with crayon or lipstick.

#### Drouth Plan

A federal drouth relief program for Texas stockmen "isn't doing anyone much good," says John C. White, State Commissioner of Agriculture.

White, attending a federal

drouth committee conference in Washington, said state attempts to get rules simplified only resulted in an offer of "further complications."

Negotiations will continue for a better drouth program, he stated, but added that at present he is "bitterly disappointed."

#### Texas Construction

Construction activity over the state fell 6 per cent in August from a June peak but is still high in comparison with 1953, according to the University of Texas Bureau of Business Research.

Statistician Richard C. Henshaw said the August dip dropped totals for nonresidential building permits to the lowest of the year. However, contracts awarded for construction this year are still 9 per cent over the first eight months of 1953, he reported.

#### Crime Drop

A 3.7 per cent drop in Texas crime for the first half of 1954 is reported by the Texas Department of Public Safety.

#### Special Observances

Texans have been called on by Governor Allan Shivers to observe November as Religion in American Life Month and Sunday, November 28, as Temperance Sunday.

#### Optometry Advertising

Optometrists who believe in advertising have won a fight with

the Board of Examiners in Optometry which proposed banning the practice by members.

Rules adopted September 18 to become effective October 4 were repealed by the board after severe criticism from members and outsiders over prohibition of display advertising. The regulations also forbid optometrists from doing business under trade or assumed names.

Attorney General John Ben Shepperd was named as the motivating force behind the decision by the board.

In a written statement the board accused Shepperd of refusing to represent it in a test case of the new regulations.

Shepperd in turn said he had informed them a year ago that the rules were unconstitutional. He refused to represent the board in a test case filed in the Austin 53rd District Court.

The regulations had never been enforced because of restraining orders issued in Dallas and Beaumont district courts.

#### AUGUST STRIKES

Strikes over the nation during the month of August continued at a low level, according to the Labor Department's Bureau of Labor Statistics. There were 550 strikes during the month, adding about 300,000 workers for 3,500,000 man-days of idleness. This compared with 575 strikes in July. Both the number of strikes and the number of workers involved this year are running well below last year and below the average since World War II.

Now Chevrolet, the leading builder of valve-in-head engines, introduces the "Turbo-Fire V8." It carries the V8 design to a new high in efficiency with its high horsepower (162), high-compression (8 to 1), high performance and surprisingly high gas mileage. Available with standard transmission, or with the extra-cost options of Overdrive or Powerglide.

6

You can choose from  
two new sixes, too!

Chevrolet also offers the last word in six-cylinder performance and economy! There's a new "Blue-Flame 136" teamed with Powerglide and a new "Blue-Flame 123" with either standard transmission or Overdrive.

Can't you tell just by looking that Chevrolet and General Motors have come up with a completely new idea about the low-priced car? The idea is this: to build a car that offers the very newest thing in styling, the most modern features, the finest kind of performance and the highest quality of manufacture—all at a modest price. It's something that took a lot of doing and that only the world's leading car builders could do. Everything's new in this Motoramic Chevrolet from its lower top right down to its tubeless tires. ## Cancer Is No. 2 Killer in Texas According Reports

AUSTIN: "Cancer, the State's Number 2 killer, accounted for one out of every eight deaths during the past year, and this was 13 per cent of all deaths that occurred in Texas," declared Dr. Henry A. Holle, State Health Officer. Early diagnosis and competent treatment could have prevented many of these deaths.

For many years there were but two ways of treating cancer. First, by surgery and second, by the use of radium or x-ray. Treatment must be started early and in the hands of a competent surgeon. Surgery is relied upon to remove cancerous tumors and is used in nearly two-thirds of the cases. X-ray or radium is used to advantage for the remaining group. Frequently the two methods are combined. Treatment now has expanded to include radio active chemicals, sex hormones, and anti-cancer drugs. Self-medication, serums, colored lights, pastes, salves, and diets are valueless.

The great protection against cancer is early diagnosis. Every case is an emergency and it is unfortunate that the majority of those with cancer do not seek medical advice early in the first stages of the disease. No hope should be placed in fake cancer cures or treatments.

Rather, the annual physical examination and an immediate reporting to your physician of any symptoms which may be suspected to be the beginning of cancer should be relied upon.

These symptoms are: any unusual bleeding from any body opening, any lump in the breast or

other part of the body, any persistent sore, particularly on the face or mouth, and chronic indigestion. These conditions may not be cancer, but sometimes they are forerunners of the more common types of this disease. Where cancer is suspected, do not delay, but consult your physician at once.

## P-TA-Lions Sponsor Carnival at Happy

Witches and goblins will be out Saturday night in Happy with headquarters at the American Legion Hall.

The annual Halloween Carnival is again being sponsored jointly by the Happy Parent-Teachers Association and the Happy Lions Club.

Feature attraction this year is the spook house which will scare even the old ones as well as the young.

Added attractions will be bingo, cake walk, sweet shoppe, domino hall, fish pond, dunking board, money board, milk can game, dart game and many other games.

Highlight of the evening will be a costume contest for the children. There will be plenty of hot dogs, sandwiches, pie, coffee, pop, candied apples, popcorn balls and goodies galore.

Everyone is invited to this carnival in Happy Saturday night, Oct. 30, beginning at 7 p.m.

Mr. and Mrs. George Albers returned home Saturday after having spent seven weeks visiting in the states of Nebraska, Iowa, Wisconsin and Missouri with relatives and friends.

Mr. and Mrs. A. M. Cunningham spent last week in Chickasha, Okla., in the home of her parents, Mr. and Mrs. W. S. Wharton.

## Engagement Announced

Mr. and Mrs. Lester F. Bryan announce the engagement and approaching marriage of their daughter, Naoma Ruth Bryan, of Happy, to Steve M. McKee, son of Mr. and Mrs. W. H. McKee of Canyon. The ceremony will be read November 7.

## UNUSUAL FACTS ABOUT TEXAS PROGRAM FOR SUE HITE CLUB

Unusual facts about Texas were presented in a clever program by Mrs. John E. Bowden at the Monday afternoon meeting of the Sue Hite Club at the Panhandle-Plains Historical Museum.

Mrs. Virgil Henson's part on the program was entitled, "I'm a Texan," and Mrs. W. A. Moore gave the invocation. Mrs. D. M. Foster and Mrs. Crannell Tolliver were hostesses.

Those present were Meses. Frank Barnhill, Bowden, Hatcher Brown, M. R. Callahan, Levi Cole, Clay Cooper, T. V. Crouse, Foster, W. F. Haggard, Henson, Robert Jarrett, Mitchell Jones, Bill R. Lee, M. B. Measamer, Boone McClure, Gene McGlasson, Jr., W. E. Miller, W. A. Moore, Jerry Newman, J. O. Parker, Borden Price, Hud Pritchard, Raymond Raillard, Burney Slack, Tolliver, A. L. Walsh, R. D. Wheelock, and Charles Wright.

## JOWELL H. D. CLUB MEETS FOR MEAT SALAD DEMONSTRATION

The Jowell Home Demonstration Club was given a meat salad demonstration in the home of Mattie Ruth Robinson on Oct. 20.

Miss Lou Ella Patterson, home demonstration agent, gave this helpful demonstration to ten members and one visitor.

Roll call was answered with old superstitions. Then the recreational director asked each member to tell of something interesting she had seen on a trip.

At the tea hour the hostess served the meat salads with crackers, pumpkin pie and coffee to Mesdames Grace Raymond, Bertie Culp, Dorothy Keeling, Mary Alice Bonds, Rosa Robinson, Eula Bonds, Helen Davis, Erbie Powell, Ruby Bonds, and Miss Patterson.

On Nov. 3, the club will meet with Mrs. Tom Gooch.

## PALO DURO WOMEN'S BOWLING WANTS TWO MORE TEAMS

Leaders in the Palo Duro Women's Bowling League are still looking for girls for two more teams. All those interested are invited to come to the bowling alley next Monday evening.

This week Young's Drive-In took three games from Canyon Drug. High scorers for these two teams were Ruth Foster with 189 and Ruth Shero with 174.

While Cooper's Market took 3 games from Fritz's Gulf Service, Fay Bosley made a score of 191 and Betty Hicks scored 182.

## GIRL SCOUT TROOP 12 PLANS HALLOWEEN PARTY

## '25-'26 Homecoming Is Held at Wayside

The Homecoming of the ex-students of 1925 and 1926 of Wayside School with Miss Aline Ballard, now Mrs. Floyd Adams, as one of the teachers, was enjoyed Sunday, Oct. 17, by a number of her former pupils.

They were Miss Osce McCrerey, now of New York City, and a friend, Miss Edith Blackwood; Mrs. Jewel Knox McGehee of Goodnight, her husband, J. T. and little daughter, Mary Ann; Roy Franklin of Canyon, his wife, Merle, and three of their five children; Kotton McGehee of Happy, his wife, Alice, and their two children.

Mrs. Sarah Beth McGehee Lound and little daughter, Sally, if Happy; Robert Adams, his wife, Leatha, and their two sons, and Joyce Lane, his wife, Jessie Chloe, and their daughter, Joy.

Other ex-students from a distance were Mrs. Ida May Hamblen Rogers and her family; Mrs. Doris Hamblen Gillham and her youngest daughter, Traverne; and Mrs. Marvella McCrerey Long, all of Canyon.

Ex-teachers present were Mr. and Mrs. R. L. Grigsby of Canyon; Mrs. Floyd Adams; Miss Athella Limley, now Mrs. Melton McGehee, Wayside.

Plans are under way to make the homecoming of all ex-students, teachers, coaches, and ministers of Wayside school and their families and friends. An annual all-day affair to be held the third Sunday in October. Everyone is requested to bring a basket lunch at the noon hour.

## Halloween Carnival Saturday Evening

Canyon High School will be celebrating Halloween on Saturday evening with the annual carnival sponsored by the Parent-Teacher Association.

At 6:30 the cafeteria will open with sales of cakes, pies, coffee, plate lunches, hot-dogs, and hamburgers. At 7 p. m., booths and special side-shows of the carnival proper will be open.

A "Night Club of 1920," sponsored by the grade school music department, dramatic plays by the speech department, Spanish programs by the Spanish Club, and a stage production by the sophomores will be extra special side-shows.

In the gymnasium of the grade school building and the old gym of the high school will be found all of the traditional booths and games.

The last event of the evening will be the crowning of the Halloween Queen whose identity will be a complete secret until the hour of the crowning. This year a different method of counting the votes will be used in that no numbers of votes will be posted during the evening.

Everyone is urged to come out and join in the fun and help in this one effort of the year whereby the P-TA raises money for the aiding of the student body in worthwhile projects. A great amount of work is put into these carnivals by teachers, students, and parents. Help this worthy effort.

## PRESBYTERIAN AUXILIARY

## New Mexico Girl Winner of Essay Contest at W. T.

Miss Pat Copeland, Amistad, N. M., has been declared winner of Region VI in a national essay contest sponsored by the American Plant Food Association and the National Grange. Miss Copeland is a sophomore home economics student at West Texas State College.

Her prize-winning essay on "Building Fertility to Cut Farm Costs" will send Miss Copeland on an all-expense paid trip to Spokane, Wash., for the National Grange convention Nov. 10-14. Her essay is being considered for national prizes, and winners will be announced at the convention Nov. 11.

Active in 4-H Club work, Miss Copeland last summer was awarded a trip to Washington, D. C., for her achievements during ten years of club work. A junior leader for the Amistad club, Miss Copeland recently won state in a dairy foods demonstration records contest. In 1952 she went to Chicago after winning a canning records contest, and in 1953 she went to Denver as a member of the state home economics judging team.

Daughter of Mr. and Mrs. Jack Copeland of Amistad, she has worked with 4-H projects in baking, foods, frozen foods, canning, home improvements, home beautification, clothing, range management, breeding heifers, beef steers, garden, and junior leadership.

Miss Osce McCrerey and Miss Blackwood, who have been visiting relatives and friends in and near Canyon during the past three weeks, left Saturday morning by car to return to their work in New York City. Miss Blackwood is a nurse, and Osce has charge of recreational work for Lenox Hill neighborhood of New York City.

Mr. and Mrs. T. S. Stevenson, Sr., returned Monday from Phoenix, Ariz., where they visited in the home of their daughter, Mrs. Fred Jennings, Jr. They visited the Buffalo team and saw the game at Tempe Saturday night before starting home.

Mrs. Emma Bridges of Kress, Mr. and Mrs. Everett Keys and children of Lubbock, Mr. and Mrs. Leslie Key and Sylvia spent Sunday with their mother, Mrs. J. D. Key.

Mr. and Mrs. Robert Bellah and their two youngest children, Debbie and Michael, spent the week-end in Dallas attending the fair and visiting with Mrs. Bellah's parents who live in Dallas.

Mrs. John Hammond and mother, Mrs. Beulah Anthony, of Happy, spent last Wednesday afternoon with Mrs. Mary Burtz.

Mrs. Milton Dooley and Mrs. Ava Hendrix visited recently in Houston in the home of Mr. and Mrs. Toney Brown and children.

Mr. and Mrs. Bob Connell and baby of Midland spent the week-end with relatives and attended the Glenn-Glandon wedding.

Mr. and Mrs. Oren Horn, Mr. and Mrs. Thurman Horn of Briscoe visited Sunday in the Leon Yell home.

Mrs. Florence Stephenson and Mrs. B. C. Taylor, Sr., visited with Mrs. R. B. Hutton in Dalhart Sunday.

Mrs. Dan Usery and Miss Peggy Moore went with Miss Ruth Jane Hood to Taos during the past week end.

The Music Club of Happy is sponsoring a bazaar-rummage and bake sale October 30th in the Montgomery building.

## Seven Co-eds Sun Carnival Queen Contest

Seven co-eds are seeking the honor of representing West Texas State College as princess at the annual Sun Carnival Jan. 1 in El Paso. Winner will be elected by the WT student body Thursday in assembly.

Nominated for Sun Princess were Paula Barbee, Phillips; Charlotte Duncan, Amarillo; Shirley Weatherly, Panhandle; Letha Fedric, Stratford; Mitzi Wilson, Dimmitt; Lorraine Fisher, Hart; and Cherry Moore, Borger.

WT's Sun Princess will participate in all activities of the Sun Carnival, which usually opens the last few days in December and is climaxed by the Sun Bowl football game on New Year's Day. Last year's princess was Donna Erwin, now a teacher in Amarillo.

Candidates will be presented in both formal and informal dress during the assembly program, and students will vote at the close of the program. W. A. Moore, associate professor of speech, will be master of ceremonies, and background music will be played by Marilyn Cowan, Amarillo junior. The WT Student Senate sponsors the election, and Carolyn Christian, sophomore senator from Claude, has arranged the program.

A junior business education student, Miss Barbee is a member of Buffalo Gals and Delta Zeta Chi sorority. Miss Duncan is a junior elementary education major and is a member of the Inter-Club Council, Gamma Phi sorority, and Phi Gamma Nu, national business sorority.

Miss Weatherly is a freshman elementary education major, and Miss Fedric is a sophomore speech student. A sophomore sociology student, Miss Wilson is a member of Pi Omega sorority; also a sophomore, Miss Fisher is an English student and a member of Delta Zeta Chi sorority. Miss Moore is a junior speech student and a transfer from Frank Phillips junior college.

One of the funniest sights we can think of is a small women's organization, in which everyone wants the other to hold office. It goes something like this:

"Some of you women without young children will just have to take the chairmanship! With one at home and two in school, I have my hands full."

"But at least you're at home all day. By the time I teach all day, grade papers all evening, go to teachers meeting on Saturday—I hardly have time to wash the breakfast dishes."

"You two think you're busy! How about me? I don't even have a husband to help me make a living. Besides, there's my sick mother."

"Well, I can't help this year. I'm chairman of the This-and-Thats already, and they're having a state convention here next spring."

"I'll take my turn, but it'll have to be year after next at least."

And so it goes, until one wonders who thought up the thing in the first place.

We are a great believer in women's clubs. They keep housewives from bogging down in domestic doldrums. They give business women an opportunity to dress up and "socialize" after working hours. They make newcomers feel welcome, give old-timers a chance to meet strangers and vary the pattern of the neighborhood clique.

But just once in a while, when we hear a dihard argue that woman's place is in the kitchen, we wonder if he hasn't been listening in on one of these "I'm busier-than-you" elections.

#### VARIETY RING CLUB MEETS WITH MRS. LEVI COLE THURS.

Mrs. Levi Cole was hostess to the Variety Ring on Thursday. Garden flowers decorated the entertaining rooms.

During the business session, which was presided over by the president, Mrs. Geo. Barker, cards were signed to send to unfortunate members. The group voted that the Christmas exchange gifts should be gifts of handiwork of the individual members.

At the tea hour the hostess served refreshments to Mesdames H. J. Greenfield, John Guthrie, and Bertha Rhoads, special guests, and Mesdames Mae Johnson, Chas. Hutchinson, P. L. Pitt, Win Matsler, Fred Marshall, J. P. Hammons, Geo. Barker, and Rae Walters, members.

#### BOOK REVIEW GIVEN TO PALO DURO MOTHER-IN-LAW CLUB

Palo Duro Mother-in-Law Club met in the home of Mrs. Geo. Barker with Mrs. Hugh Kelso as co-hostess on Oct. 14.

Mrs. Earl Burtz, president, presided over the business session. Mrs. M. B. Brown gave the devotional.

Miss Elva Fronabarger gave a most entertaining book review of "Push the Button."

Refreshments were served by the hostesses to Mesdames Mae Johnson, Rae Walters, J. M. Breitling, Fred Marshall, P. L. Pitt, Brown, Burtz, Laura SoRelle, J. P. Hammons and Miss Fronabarger.

## Don't Hide Behind Mask Of Halloween

"Don't hide traffic safety behind a mask on Halloween!"

R. B. Roaper of Houston, president of the Texas Safety Association, today gave this warning to Texans who are preparing to observe the special night with traditional celebrations.

"I mean this advice both literally and figuratively," he said. "Of course, safety always should be of primary concern to both motorists and pedestrians, and never should be out of view."

"But Halloween brings an even more immediate, practical application to this advice," Mr. Roaper pointed out, "because at this time so many people, especially children, will be wearing fancy dress costumes and masks."

"These masks can cause a lot of trouble if they cut down the wearer's vision," he said. "The masks usually are worn after dark, which is the most dangerous time of day, traffic-wise, when both drivers and walkers sometimes have trouble trying to see adequately and keep safe. Masks can make the situation even more dangerous."

"Also," he said, "costumes worn by pedestrian Halloweeners sometimes are dark in color and difficult for motorists to see."

"Parents should see to it that their children wear white or light-colored costumes, or that some reflectorized material is used at least for the trimmings," Mr. Roaper said. "This precaution, in addition to making sure that masks fit properly and allow normal vision, will do a lot to keep children safe in traffic on Halloween."

"The same safeguards should be observed by adults, too, of course," he added.

"And everyone should be made aware of the extra caution required in traffic at a holiday time," he said.

"The best safety plan for Halloween night," Mr. Roaper said, "is to have home or community parties for children — and for adults."

He called attention to the night traffic hazards program being sponsored in Texas this month by the Texas Safety Association, the Texas Department of Public Safety and the National Safety Council.

"Every day of the month, every month of the year, darkness means danger in traffic," he said. "And Halloween night, when celebrations are apt to step up the pace for both drivers and walkers, the slogan of this traffic safety program is particularly applicable."

"Cut Your Speed after Dark!"

#### MRS. W. H. HARDEN HOSTESS TO AMITY CLUB MEETING

The Amity Club met last Friday afternoon at 2:30 o'clock in the home of Mrs. W. H. Harden for their regular monthly meeting.

Members present answered roll call with poems. Social hour was spent with visiting and singing of old songs with Beulah Davis, the president, at the piano.

Refreshments of pumpkin pie, whipped cream, mints and coffee were served at the tea hour by Nora Harden, Mary Burtz, and Myrtle Wester, hostesses.

Meeting time of the club was changed to the third Friday instead of the fourth for November and December.

Next meeting will be with Ida May Dowd on Friday, Nov. 19, at 2:30 p. m. with Beulah Davis and Penny Cox as co-hostesses.

Members attending the October meeting were Mesdames Davis, Berta Terry, Wester, Dowd, Burtz, Rosa Lowry, and Harden.

#### MEAT SALAD DEMONSTRATION FOR CENTRAL H. D. CLUB MEET

Mrs. Lillie Foster was hostess to the Central Home Demonstration Club on Friday, Oct. 22, at 3 o'clock.

An interesting demonstration was given by the Home Demonstration Agent, Miss Lou Ella Patterson, on meat salads.

Refreshments were served to Mesdames K. E. Hines, P. L. Pitt, Deene Donnell, Piner Stevens, Veltan Sogree, Roland Hicks, Win Matsler, Rae M. Walters, Foster, and Miss Patterson.

Next meeting will be a joint meeting of Central and Edgetown clubs in the home of Mrs. Jeanette Robbins on Nov. 12 for Thanksgiving dinner.

Mrs. Chester Dowell of Lawton, Okla., and Mr. and Mrs. Garland Cavitt of Dumas spent the weekend with Mrs. Ruth Hill and Lowell. Chester Dowell, who had played football with his team from Fort Bliss at Ft. Sill on Saturday night, joined Mrs. Dowell here Sunday and accompanied her home.

Guests in the home of Mrs. R. D. Lowry last weekend were her daughter, Gladys Lowry Phillips, of Darrouzett; her granddaughter, Donna Jean Howard, of Loga, Okla., and her great-granddaughter, little Miss Sheryl Howard, whom she saw for the first time.

Mrs. Ross Richardson of Beaumont, Calif., arrived Monday for a visit in the home of her son, John Hunter.

Mr. and Mrs. Forrest Small of Newburgh, N. Y., are visiting in the home of her parents, Mr. and Mrs. Frank Hicks.

## Accused in Court Has Protection Of the Law of State

Most criminals have a good idea of their rights in court, but the average citizen, confronted with a traffic ticket or court summons, has little knowledge of the protections provided for him. Having had little experience with the courts, he is apt to view with a sinking feeling any document requiring his presence in court. He need have no fear of appearing before judge and jury.

Probably the most fundamental and important right is summarized in the well known adage, "Every man is innocent until proved guilty." It is up to the prosecuting authorities to prove that the person on trial is guilty — and not the obligation of the person accused to prove that he is innocent. The prosecution must prove your guilt beyond a reasonable doubt, or you will be acquitted. The mere fact that you have been

given a ticket or accused of a crime is not even evidence of guilt.

Another protection is the right to have a witness whose testimony you may need subpoenaed to appear in court and testify. Many people are reluctant to go to court when their own rights are involved, and unless you had a means for compelling their attendance and testimony, you often would be unable to prove the facts necessary for success in your case.

It is the duty of every citizen to testify if he has information important to a law suit and is called upon to do so. The courts can and do enforce attendance in court and the giving of testimony.

Certain other safeguards are valuable to you. A person may refuse to testify in any proceeding if he has a reasonable belief that his testimony could be used as a basis of a criminal proceeding against him. This does not mean, of course, that a confession given freely and voluntarily cannot be used in evidence. But it does mean that an accused cannot be compelled to take the witness stand. Nor can his failure to testify be commented upon by the prosecution.

Our courts provide many safeguards for the innocent against false accusations of crime. But many of these rights would be valueless without the assistance of a lawyer, who has been schooled in legal principles and rules of statute or decision involved, to invoke these rights. The "right to counsel" must be granted to every accused person brought before any court in the state. In capital cases, if an accused person cannot afford to pay for legal counsel and desires it, the court must appoint a lawyer to represent him.

Every person charged with an infraction of the law has the right to consult counsel before making any plea. This applies to cases in every court — including justice of the peace courts, municipal courts, traffic courts and district courts. It does little good to consult a lawyer after you have pleaded guilty and paid the fine, for then the damage has been done.

The courts are open to you any time one of your legal rights has been denied or any of your property has been unlawfully taken. This is one of your most precious rights. The courts are the only peaceful means of enforcing your rights.

## Just Between You, Me . . . and the Gatepost

By Lawrence Hunnicutt

Roland Black, manager of the Chamber of Commerce, has given us a little information of the annual Chamber of Commerce banquet. The banquet is to be held December 2 at 7:30 p. m. in the West Texas State College cafeteria this year. Roland is getting out publicity in advance on the banquet because he hopes other clubs and organizations will cooperate and not plan their big meetings at this time.

The banquet is one of the biggest occasions and actually the only really big public function the Chamber has each year. It is the time that the outstanding citizen award of the year is made as well as a review of the past year's work with a preview of the coming year's work. It is a service to and for everyone in the Canyon area and for this reason it shouldn't be asking too much for other clubs and organizations to cooperate this one time a year by not planning a function on this particular night. Oh yes, the name of the speaker was also released to us. He is Louie E. Throgmorton, vice-president and director of the Republic National Life Insurance Company of Dallas.

Our big general election day is coming up Tuesday. It looks as though the election may be a pretty good one too. There's apt to be a real two-party system in operation this time. The Republicans have really been working for their candidate, Pete LaMaster. They have sure picked a strategic time for their fight for that particular seat too. Many Democrats are very smug in the idea that Walter Rogers will win easily and won't need half the votes in order to win. Even though it is an off-year election, it is important. So, go vote for the candidate of your choice.

We had an interesting visitor in town last week. She was Mrs. Davis, a member of the Earth, Texas, school teaching faculty. Her son is now attending West Texas State College and Mrs. Davis was in town for a short visit. Although the chat was short it was very enjoyable as she is a former W.T. student and we had the privilege of being in the same class with her. It was an education class under Rex Reeves. One of the most enjoyable things in life is a chat with a former classmate and friend.

Everyone in these parts is happy about the wonderful team the Canyon Eagles have this year. Coach Guy Harrison has done a marvelous job of building up a really winning team. Friday night Mr. and Mrs. Lee Foster and Riley Troth and Roland Black were among the many other strong fans for the Eagles. According to all reports the feeling ran pretty high and Mrs. Foster sort of tentatively made a decision to not attend any more football games with drug store quarterbacks. It seems that a drug store quarterback is a person who does more quarterbacking in the drug store than on the gridiron.

Wonder why no one has ever applied the term drug store to husbands. Such husbands, for instance, who boast that they run things around the house without going on and saying that the thing they run is the lawn mower.

It doesn't do any good to sit up and take notice unless you also get up and start some action.

The only way to get the most out of life is by putting the most into it.

### QUALIFIED

Father (admiring his recently born heir) — "That fellow will be a great statesman one of these days."

Mother — "Oh, Charles, dear, do you really think he will?"

"Sure of it. Look how easily he wriggles out of everything."

### DELIGHTFUL

Salley — Told him, dad, that you would switch off the lights at 9.

Dad — Well?

Salley — He said he'd come back at 10.

### GREAT

Music Prof — "What do you think of Kreisler?"

Frosh — "Great! Splendid! Swell pickup, a lot of style and 20 miles on a gallon."

It takes many things to make up a city to be proud of, one you are glad to live in and be a part of. First; its people, they must be honest, kind, unselfish, God-fearing—that we have. There must be educational facilities for its youth—that we have. A mayor, commissioners, school board, churches, firemen, doctors, ministers, Chamber of Commerce, all these Canyon has and now to these we have added another facility which was most needed and for which all are deeply grateful—A CITY PARK.

And on the same day, Tuesday evening, a number of those who love to work in their yards, met and organized a GARDEN CLUB. An organization long needed in Canyon. This club is organized for the purpose of exchanging IDEAS and INFORMATION about gardening. It is our great good fortune to have Levi Cole as president, Mrs. Jeannette Robbins as vice-president, George Cox as secretary and treasurer, and Dr. Ples Harper as program chairman, four of our most successful gardeners.

The club will meet again November 9th at the home of Mr. and Mrs. George Cox, 1905 Fourth Ave., at 7:30 p. m. and all who are interested in BETTER YARDS AND GARDENS are urged to meet with us. At that time we will discuss bulbs. The program will be in charge of Dr. Ples Harper.

Mrs. J. D. Key, who lives at 1604 7th Ave., came to Texas with her parents from Arkansas when she was only two years old. Her parents settled first in Ellis County in 1875 there Mrs. Key's mother died and she went to live with her sister in Corsicana, moving with her sister to Jones county. It was in Jones county she met and married J. D. Key in 1889 and they moved to Tulla in 1891, filing on a section of land about ten miles east of Happy. Building a one-room dugout they lived in it until they later bought a house on the adjoining section.

The keys farmed and ran cattle. Mr. Key, his father and brothers cut posts in Palo Duro Canyon, hauling them to Amarillo to sell for the first two or three years they were getting started farming. In 1907, the family moved to Canyon, but Mr. Key continued farming, driving back and forth in a wagon. Mr. Key died 12 years ago, and Mrs. Key has since sold the farm.

Mrs. Key has five living children: Mrs. C. M. Yeager of El Paso, Mrs. W. H. Bridges of Abertathy, Everett Key of Lubbock, Les Key, Canyon's fire chief, and Alton Key of Carpentaria, California. A son, Archie, died of pneumonia in World War I, and Robert Hudson Key died at the age of four. A daughter, Avis, died in infancy.

Mrs. Key has seven grandchildren and two great-grandchildren. Soon after she married Mrs. Key began making fine quilts. She said quilts were the only covering they had for their beds in those early days. She made her first quilts from scraps, but later bought material for them. She soon became known far and near for her beautiful quilts. She has made and quilted more than 100 quilts, most of them have been made for members of her family.

She has and still does do quilting for others, charging \$25 for

a full size quilt. There are a mighty lot of stitches in a quilt when the work is as fine as Mrs. Key's. It takes her nearly two months to quilt a full size quilt, but she says her family is all gone now and she quilts for pastime.

She has quilted a special quilt for her grandchild Sylvia Key, daughter of Mr. and Mrs. Les Key. It is a kitten pattern made of scraps of Sylvia's dresses. Mrs. Key has made two wedding ring quilts for two of her grandchildren.

Mrs. Key is a member of the Baptist Church. She has always taken an active part in her church and attends both Sunday services and the woman's work on Tuesday in spite of her arthritis which makes it difficult for her to get around.

Knowing Mrs. Key you feel the fine stitches and beautiful work on her quilts are indicative of the fine and beautiful life she has lived.

Amy Vanderbilt in her "Complete Book of Etiquette" says: "The essential principle of good manners remains what it always was: 'Do unto others as you would have them do unto you.' She goes on to say: 'Good manners are money in the bank—but, more important, they are a bulwark against bruised feelings, loneliness, hostility and suspicion.'

"In everyday family life each child should be able to absorb essential good manners from the adults around him." So she puts the manners of children squarely on the adults the child associates with in its daily life. She goes on to give the following seven social graces all children need:

- 1) How to greet and take leave of others.
- 2) How to express thanks.
- 3) How to excuse themselves or express regret.
- 4) How and for what to give praise.
- 5) How to carry on and how to end a conversation.
- 6) How to conduct themselves in public places.
- 7) How to make themselves physically presentable.

Knowledge of these fundamentals helps any child—or adult—towards graceful congress with others.

Amy Vanderbilt is not the first to place the conduct of youth squarely on the shoulders of those adults the child associates with. Before her, Clarence Darrow, American lawyer, who practiced law in Chicago from 1888 until his retirement from regular practice in 1927, took that same attitude. In his defense of Nathan Leopold and Richard Loeb, two boys of wealthy families who committed the most dastardly crime of their time, Darrow did not belittle the crime or in any way excuse the boys for their conduct, but he placed responsibility for their action not only on them, but on their parents, grandparents, relatives, teachers and THOSE WITH WHOM THEY WERE DAILY ASSOCIATED, NOT OVERLOOKING THEIR NEIGHBORS.

Going back farther still into the greatest teacher of all time: Jesus says this about our conduct toward children: "But whoso shall offend one of these little ones—it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the sea."—St. Matthew 18:6. Perhaps we are looking in the wrong place for responsibility of the present crime wave among youth?

And now they are making typewriters in colors to fit into the color scheme of your home or office. It doesn't make any difference to me what color my typewriter is. What I want is one that can spell better and knows how to use commas, colons and semicolons correctly.

Lt. Col. and Mrs. Artis Hud Prichard were among those who came for Homecoming and to visit in the home of their parents: Mr. and Mrs. Hud Prichard and Mr. and Mrs. Charles Harter, bringing with them their three children: Patricia Ann, Janice and Michael. Hud, one of Canyon's most distinguished sons, and his B-36 crew in the 95th Bombardment Wing at Biggs Air Force Base recently won first place in the crew bombing category, one of three major classes of competition, in demonstration of Air Force capability to deliver A-weapons. In the article sent out to newspapers about this feat, it mentioned that Hud is the son of Mrs. A. H. Prichard and not mentioning his proud father, Hud Prichard, manager of our telephone system, and this, to say the least, WAS MIGHTY HARD FOR HUD, THE FATHER, TO TAKE.

One of the "new model" third graders was asked to write an essay in physiology class on the subject of anatomy. This was the literary masterpiece which he submitted:

"Your head is kind of round and hard, and your brains are in it and your hair on it. Your face is in the front of your head where you eat and make faces. Your neck is what keeps your head out of your collar. It's hard to keep clean.

"Your stummick is something that if you don't eat often enough it hurts, and spinach, don't help none. Your spine is a long bone in your back that keeps you from folding up. Your arms you got

to have to pitch with and so you can reach the butter.

"Your fingers stick out of your hands so you can throw a curve and add up Rithmatick. Your legs is what if you have not got two of, you can not get to first base. Your feet are what you run on, your toes are what you always get stubbed. And that's all there is of you, except what's inside, and I never saw it."

Someone once said: "Never start an argument at night." That's good advice. Many a family argument has been ended by a man leaving HER house and going to HIS office QUICK, thus giving both a little time to "cool off" and decide the argument didn't amount to anything anyway. For that reason it is advised that a man keep an office after retirement, if for no other reason than as "A shelter in the time of need." "A refuge in the time of storm."

Clyde was wondering why we call this "Indian Summer." He met Dr. A. K. Knott and asked him. Dr. Knott was kind enough to look it up and found that it had nothing to do with our Indians but originated in the country of India. The summers there being similar to our summer at this time of year, having the mild, dry weather we have this time of the year. Then Dr. Knott told this story about their daughter, Mary Joe, when she started to school.

Coming home after three days of school she gave a big sigh and said: "Well, I've told my teacher everything about us I can think of except how old you two are and I don't know that." Dr. Knott said they told her she could tell her teacher that in the morning. Then he went on to tell me this story about Dr. Ples Harper and his small son John. Dr. and Mrs. Harper were getting ready to take John to church and as it was communion Dr. Harper thought he should explain to John what they did on Communion Day and why. He told him Communion had a symbolic meaning: that the wine represented Christ's blood and the bread His body. Johnnie conducted himself well at the service and

that night when he was in bed Dr. Harper quite proudly said to his wife, "I was worried for fear that Johnnie didn't understand the meaning of symbolic, but you see he did." "Ha," said Mrs. Harper. "When I was putting him to bed I asked him if he knew what symbolic meant and he said, 'Yes, I played with cymbals all the time in the first grade.'"

That reminded me of what my grandson, Arthur Haley, said to me once. Arthur had to put on glasses when he was two and when he was about three I was taking him to Amarillo to have his glasses adjusted. It was early in the morning and for a few miles Arthur chatted constantly, then he became silent and I thought he was asleep. We came to the first light on the highway, the light was red, there wasn't a car in sight, I was in a hurry so I drove through the red light. Arthur piped up saying: "That's ALL RIGHT Grandma. They didn't put up those red lights for YOU." No judges reprimand could have been more effective.

"There is no fear in love; but perfect love casteth out fear: because fear hath torment." 1 John 4:18.

A good little girl was hurrying to school in a state of extreme agitation.

"Please, God, don't let me be late," she murmured as the school bell began to ring in the distance. At that moment she tripped over a stone and fell flat.

"Please, God," she exclaimed in an injured voice, as she got up and dusted herself. "I didn't say 'push!'"

## RHEUMATIC, ARTHRITIC VICTIMS PRAISE PAIN-RELIEVING POWER OF SAFE NEW "FILM-COATED" TABLET

Quickly Curbs Deep-Seated Pains Without Stomach Distress

If you are plagued by the misery of acute, crippling Arthritic, Rheumatic, or Neuralgic pains, profit by the experience of others who now enjoy positive, blessed relief thanks to Ar-Pan-Ex—the exciting new laboratory discovery. Helps even most stubborn cases of deep-seated pain and stiffness.

Smashed my third bottle I was walking without any pains at all.

**A Missouri Lady Writes**  
Heart-warming letter written by Mrs. Mary Creamer, St. Louis, Mo.

"I have had terrible pains in my knees for over two years and couldn't walk without cane. About two months ago a friend suggested Ar-Pan-Ex Tablets. I took a bottle and the pains left my legs and by the time I finished my third bottle I was walking without any pains at all."

### Why Ar-Pan-Ex Helps

Ar-Pan-Ex, a formula recently perfected by a noted Eastern Scientist, contains seven active ingredients, scientifically "Film-Coated" to prevent useless and distressing action in the stomach. The "Film-Coating" dissolves in the small intestine where ALL pain-relieving medicine is then quickly released into the blood stream. Uric acid is reduced and long-lasting comfort is swiftly carried by the blood stream bringing fastest known relief to every pain-wracked muscle, joint and nerve.

### Let Ar-Pan-Ex Help You

Do what Mrs. Creamer did. Enjoy a new lease on life with safe, powerful Ar-Pan-Ex, compounded exclusively for relief of deep-seated pain. Take this article to any good drug store and ASK FOR GENUINE AR-PAN-EX. If your druggist is out of it, he will be glad to order it for you. Professionally posed.

## Bufs Lost at Tempe When Passer Hits

The Buffaloes lost at Tempe, Ariz., Saturday night when the home team completed 8 of 14 passes attempted. As a result of this method, the home team won 21 to 14, with 165 yards of their gain being made through the air.

The Buffs went to Arizona determined to wipe out the prevailing deficits which have plagued them in all but one of the four previous games of the season.

Tuggle carried the ball just three times before being injured, and was the top ground gainer for the Buffs. He carried 110 yards. Rhoten carried the ball 93 yards. The following was the statistics of the game:

W. T. Tempe

13	First downs	15
315	Net Yards Rushing	132
9	Passes Attempted	14
2	Passes Completed	8
38	Yards Gained Passing	165
2	Passes Intercepted by	1
4	Number of Punts	5
37	Punt Average	40
1	Opp. Fumbles Recovered	2
1	Number of Penalties	2
17	Yards Penalized	15

The Buffs meet the University of Arizona next Saturday night at Tucson, Arizona.

### AAUW OPERA GROUP TO HAVE INTERESTING PROGRAM

When the opera group of the American Association of University Women meets next Monday evening at the library of West Texas State College, Mrs. Joe Gibson and Mrs. Glenn Dowlen will be in charge of the program which will center around "The Telephone" by Gian-Carlo Menotti.

According to Mrs. Joe L. Bailey, chairman of the arts division, this is a short, one-act opera, sung in English. It was first produced in 1947.

Mrs. Bailey also stated that any women who desire to join the AAUW, and especially those interested in opera, are invited to attend the session at 7:30 Monday.

Mr. and Mrs. Bob Glenn and daughters of Midland spent the week-end with relatives and attended the wedding of Shirley Glenn on Friday night.

## VOTE FOR

# PETE LaMASTER

## CANDIDATE FOR CONGRESS

### A Few Words from His Neighbors:

#### Dear Friends:

I would like to say a word for LeRoy "Pete" LaMaster. I know him to be a man of integrity and good training. Whether you are of his political party or not, I believe you will make no mistake in electing him as your CONGRESSMAN.

Sincerely yours,  
Keith McCormick, Pastor  
First Baptist Church

#### Dear Brother:

Likely most of us are Democrats in our political leanings, such as I am. However, I feel that the Man involved should have something to do with the way we vote.

I would like to speak a word for LeRoy "Pete" LaMaster. I know him to be a man of integrity and of good training. Whether we are of his political party or not, I believe that we will make no mistake in electing him to the Congress of the United States.

Your vote for "Pete" and your word to others will be appreciated.

Yours sincerely,  
Averitt B. Cockrell  
Pastor, First Methodist Church

### Republican by Conviction

### And Honest by Choice

Pete LaMaster, who is running under the Republican banner for the 18th District Congressional seat now held by Democrat Walter Rogers, says that he is "a Republican by conviction."

Like most natives of the Texas Panhandle, Pete LaMaster was born a Democrat... and like many of the rest of us in recent years, he has become increasingly unhappy under the national Democratic leadership.

Many of us have solved our problem, while still considering ourselves members of the Democratic party, by the simple process of voting for a Republican nominee... and against the national Democratic leadership... in national elections.

Several thousand of us in the Panhandle of Texas did just that in 1952, when Dwight Eisenhower ran for President of the United States on the Republican ticket, opposing Democratic nominee Adlai Stevenson.

We liked Ike, and we couldn't swallow the platform and policies of his Democratic opponent. So we voted for Ike... and we helped elect him... and most of us are pretty well satisfied with our judgment. We put a Republican President in office with the help of a big Democratic vote... it was as simple as that.

For life-long Democrat Pete LaMaster, the decision has not been quite so simple. Pete is, perhaps, more deeply conscientious in his politics than most of us. And because he has offered his services for public office, he has faced a problem which most of us, as voters, do not have to face. He has chosen not to run under false colors.

Pete LaMaster, who ran a good race four years ago in a special election as a Democratic candidate for Congress from this district, might logically have run again as a Democrat this year in this strongly Democratic district.

Instead, he has chosen to make his race as a Republican because, as he says, "my convictions are not entirely in keeping with those of the Democratic Party as it has been controlled and operated by the radical left-wing element and big city machines. I find that my convictions more closely conform to those of the Eisenhower administration, and for that reason, I choose to run as a Republican."

Pete LaMaster may pay, by political defeat, for his political honesty... but he should gain, in public respect for his integrity, far more than he stands to lose.

And if those of us in the Texas Panhandle who supported Dwight Eisenhower for the presidency two years ago still have the courage of our convictions and the political honesty to support them, Pete LaMaster may well be the next Congressman from the 18th District.

## Could It Happen?

Suppose, just suppose, you and I were out making the drag. The traffic is light, probably because it's near supper time. We are just out killing time.

Blinking on the car lights because of the fading light, the glimmer of tail lights ahead catch our attention. Flicking the lights to bright, we recognize the tail lights as those belonging to Ben's new Buick. George spots us and speeds up with the intention of losing us. He digs around the corner trying to ditch us in the shadowy side streets. A quick glance around tells us the cop isn't near. We slow for the corner—we exclaim, "He hasn't a chance in that wreck." Rounding the corner Ben's Buick is seen with a lead of a block.

Unnoticed by us, a tattered tennis ball bounces into the street. Anxiously, you press the gas pedal, thinking "the next corner..." Thoughts are interrupted by a blurred figure emerging from the shadows.

A dull, sickening thud, a squeal of rubber grating against pavement and a car careens to the curb.

Stunned, you hardly realize what has happened, but slowly the dreaded occurrence creeps into your mind. Beneath the wheels lies the body of a small child. It could be your brother or sister or the neighbor's child.

Moments later you watch a broken mother leaning over a fallen child. A deep feeling of pity and horror sweeps you and you say to yourself, "It just couldn't happen!"

But here it is right before your eyes and you did it.

"I did it?"

You shout to that inward voice "but the kid ran out in front of me. I couldn't stop."

In the midst of gathering confusion, noisy onlookers, blinking lights of the police cars and ambulance, the jostling of the crowd, you feel like just another stranger. As you watch them lift the crumpled form of the child you hear yourself mumble...

"It just couldn't happen to me."

## Letter to the Staff

The Eagle's Tale staff recently received the following complimentary letter from J. O. Bragg, a high school student in Redondo Beach, Calif., who was born in Canyon.

Dear "Eagle's Tale" staff,

This letter may seem a bit strange, but I have been reading your paper for many years and I would like to send you a copy of my school paper, "The High Tide."

I was born in Canyon and my folks subscribe to The Canyon News, which is how your page came to my attention. Your writing and layouts are great and your editorials are extremely interesting in school spirit and behavior.

Having written a few stories myself, I can appreciate how good your stories are!

I am proud of my paper and I hope you will enjoy it.

Sincerely,

J. O. Bragg

## Halloween Queen Candidates Choose Their Escorts; Other Personnel For Queen Coronation Announced

Class nominees for Halloween Queen are seated left to right, Charlotte Crain, junior, who will be escorted by Charles Buchanan, Katy Davenport, freshman, who will be escorted by Leonard Miller, Ruth Ann Bolton, senior, who will be escorted by Delmar Yaryan, and Theresa Mickey, sophomore, who will be escorted by Charles Neblett. The Queen will be crowned at the coronation following the Halloween Carnival and the identity of the Queen will be kept a secret until that time.

## Annual Assemblies Held for Boys, Girls

Separate assemblies for boys and girls were held Tuesday, Oct. 19. The purpose of these assemblies is to create better relations between boys and girls and to aid each with personal and group problems. This type of program is presented annually.

"The best boy scouts are girls," was a statement from Rev. T. Winston Wilbanks, pastor of the Presbyterian Church, which immediately opened his subject of boy-girl relationships and marriage in the annual girls assembly October 19. This program was held in the library and was given to help the girls with problems of every day school life and those of the future.

Preceding the speech by Rev. Wilbanks, a girls ensemble sang a selection, and June Davis introduced the program. A panel composed of Alice Brotherton, moderator, Dovie Keene, who spoke on friendliness, manners and courtesy, Ellen Johnson, whose talk was on care of the building and equipment, and Mrs. Cecil Simms assisted in answering questions presented to the panel by the girls in the assembly.

The boys assembly was conducted by Mr. S. P. Burgess, manual training instructor. A panel of three boys, Delmar Yaryan, Ralph Miller, and Jamie Airhart, discussed cleanliness, friendliness, and manners. Delmar was the moderator.

Mrs. Winston Wilbanks was the speaker for the boys assembly. Her topic was, "What You Do Today Molds the Man You Will Be Tomorrow, Mentally, Physically, Socially, and Spiritually."

Elmer Clement led the boys in singing the school song. Larry Hungate closed the program with prayer.

## 'Trick or Treat'

"Trick or Treat" this year means that the CCYC is collecting money for milk for the world's hungry children through Christian Rural Overseas Program (CROP).

On Thursday night, Oct. 28, the youth of Canyon will knock on doors for a Halloween "trick or treat." Instead of tricks they will be asking for treats in the form of money which will enable CROP to send milk to the world's hungry. Last year the CCYC collected over \$125 which sent over 25,000 pounds of milk overseas. This year the goal has been set at \$250 which will send 50,000 pounds overseas.

Give as if your life depended upon it, because their's does.

## Library Club News

At a Library Club meeting in the high school library October 20, at noon, the time of meetings and an entertainment committee were discussed. This was a called meeting by the president and sponsor.

Night meetings will be held on the second Tuesday of each month and day meetings will be held the third Tuesday of each month. On the entertainment committee are: Barry Clark, Anne Jean Howard, Ina Jo Hughes, and Sharon Duncan.

Howard Boston of Cleburne and W. G. Boston, Jr., of Dallas visited in the W. G. Boston home last week. Mrs. Al Baum of Whitesboro, who has been caring for her mother, Mrs. Boston, for a week, took her mother with her to Whitesboro this week.

C. A. Gordon of Coleman visited last week with his sister, Mrs. W. G. Boston, who is very ill.

## Students Elect Golden, Green

JIMMIE GOLDEN  
... president

### POOR CHOICE

Asked what he thought of the two candidates for the election, an enlightened voter replied, "Well, when I look at them I'm thankful only one of them can get elected."

### DEFINITION

Gossip—The art of saying nothing in a way that leaves practically nothing unsaid.

Jimmy Golden, senior, and Hubert Green, junior, were elected to head the student body as SFC president and vice-president, respectively, Friday, Oct. 22, in an election conducted by the SFC.

Jimmie is better known to the students as Pedro. He plans to attend West Texas State College and enter the coaching profession after graduation. Pedro participates in football, basketball and track. He presently plays quarterback on the "A" string and has served as local FFA second vice-president. His ambition is to play college football.

Hubert is a 152-pound guard on the "A" football team. Included in Hubert's previous honors are: freshman class president and Halloween candidate escort, and sophomore Halloween candidate escort.

In addition to football, he participates in basketball and track, and is an active member in the Science Club. His hobby is sports and his ambition is to be an architect.

Runner-ups for the presidency were seniors, Ken Kuykendall, Norris Samuelson, and Leroy Burrow. Ralph Miller, junior, was runner-up for the vice-presidency.

Preceding the election a campaign assembly was staged. Each candidate had two campaign managers and was allowed six minutes for his campaign session. Cam-

Halloween Carnival Queen candidates have chosen their escorts. Senior candidate Ruth Ann Bolton will be escorted by Delmar Yaryan. Charlotte Crain, junior candidate, will be accompanied by Charles Buchanan. Theresa Mickey, sophomore candidate, will be escorted by Charles Neblett. Freshman candidate, Katy Davenport, will be attended by Leonard Miller.

Attendants to the Queen's Court are: Maxine Green, escorted by Ray Green, representatives from The Eagle's Tale staff, Nancy Adcock will be escorted by Don Duncan, from the Soaring Wings staff, Virginia Walker will be accompanied by Joe Dickerson, from the Soaring Wings staff, and Dovie Keene, mistress of ceremonies, will be attended by David Miller.

Bearers of gift, flowers, and crown are Elizabeth Lloyd Bailey, Jan Thomas Crisler, Katy Jan Doyle, M. L. Sherrod, Mike McBroom, and Wanda Graham.

Anna Marie Barker, junior, will be pianist for the procession.

The program selections are being prepared and announcements will be made next week. A practice for coronation procession is scheduled for 9 o'clock Friday, Oct. 29. Program practice begins at 10:15.

This year a curfew will be put down and all students will be picked up after 12 o'clock.

## CCYC Installation Begins Annual Rally

In an installation service Sunday afternoon in the West Texas State Joseph A. Hill Chapel, officers of the Canyon Christian Youth Council took their oaths of office for the 1954-55 term.

Lighting a small white candle to symbolize the acceptance of duties and the pledge to faithful service were the following officers: Al Myers, president; Charles Joyner, vice-president; Nancy Root, secretary; Helen Meyer, treasurer; Dovie Keene and Jim Flynn, publicity chairmen, and Ray Green, historian.

David Miller, former CCYC president who administered the oath of office and presided over the service, gave a devotional and the reading of the scriptures which was followed by a solo by Mrs. W. R. Wilson. Mrs. J. D. Barker presided at the organ during the service. In charge of the recreation afterwards at the Baptist Student Center were Marshall Jones and Paul Callet.

This annual installation of officers began the CCYC youth rally held for three nights: Sunday at the college chapel, Monday at the Lutheran Church, and Tuesday at the Methodist Church with Rev. Karl Ernst speaking all three evenings.

**TO COLLECT MONEY FOR MILK**  
The CCYC will be knocking on your door next Thursday night for money to send milk overseas through CROP.

Since the government gives the milk to CROP, the only expense is the transportation. Only \$250 is needed to send the goal of 50,000 pounds of milk. One dollar will give a glass of milk to two children every day for a year.

HUBERT GREEN  
... vice-president

paign managers presented humorous life portrayals of the candidates and ridiculous election promises of each if he was elected.

Campaign managers for the six candidates were: Diane Prichard, Garland Ruthart, Jerry Matsler, Eugene Boston, Martha Jones, Don Ray, Rhea June Ford, Delmar Yaryan, Al Myers, David Miller, and Joe Dickerson.

## Eagles Win Sixth, Defeat Hereford

Wiling the Hereford Whitefaces 26-14 the Canyon Eagles soared to their sixth victory Friday night, Oct. 22, at Hereford.

Early in the first quarter, Leroy Burrow penetrated 29 yards to the end zone and Jamie Airhart converted. Hereford, not to be outdone, recovered a fumble on Canyon's 20-yard line and pushed for paydirt in three downs. Hereford converted closing the quarter 7-7.

Covering Hereford's fumble on the Whiteface's 33-yard line, Canyon drove to the goal line with R. A. Burgess, Canyon halfback, carrying the pigskin the last five yards for the score. Canyon failed to convert. Later in the stanza, the Whitefaces scampered 55 yards, ending on Canyon's 18 when the clock ran out. At the half the scoreboard read Canyon 13, Hereford 7.

Again on a Hereford fumble Canyon started a drive on their own 45-yard line and took the ball for a touchdown. Canyon converted and closed the quarter with the pigskin resting on the Whiteface's 17-yard line.

The fourth quarter saw Hereford, in a series of downs move from their own 23-yard line to Canyon's 18 where they fumbled. Canyon recovered and plunged for the final Eagles score in a series of long runs.

The ball changed hands through several fumbles before Hereford recovered a Canyon fumble on the Eagles' 17-yard line where the Whitefaces galloped into the end zone.

The Eagles gained 19 first downs while the Whitefaces followed with 14. The Eagles' defense held the offensive backfield to a snail's pace the majority of the time with Hereford having approximately three long drives and one spectacular run by G. C. Merritt, Hereford halfback, from Hereford's 15-

## NEWS LETTER

FROM CONGRESSMAN WALTER ROGERS  
OF THE 18TH CONGRESSIONAL DISTRICT

### United States Trust Territory of Pacific

Some time ago, I made a few remarks in a newsletter about the Trust Territory over which this country has jurisdiction and which lies in the far Pacific Ocean.

These islands are in three groups, the Marshalls, the Carolines, and the Marianas, with the exception of Guam. Guam has been a United States possession since 1898. All of these islands together cover a space in the Pacific Ocean about the size of the United States. If all were lumped together, they would constitute a land mass less than half the size of Rhode Island.

It is interesting to note that all of these islands, except Guam, have been under the control of four separate powers, to wit, Spain, Germany, Japan, and the United States. This frequent change of authority has resulted in frequent changes in policy, as far as the Micronesians are concerned.

Of course, when the United States occupied these islands in World War II, and then accepted them in trust subsequent to that war, we inherited all of the problems that have been accumulating through the years.

It was my pleasure to have an extended visit with Judge Edward P. Furber, who is now serving as Chief Justice of this territory. We had a most interesting discussion concerning these problems and what Congress must do to solve some of them.

One of the toughest will be the problem of land ownership. Many people in this country think that perhaps the method of handling land ownership is complex here, but you should see what happens when you have several systems mixed together.

One man might claim under the Japanese title, another under Spanish, another under German title, and another under the tribal laws. The solution is going to be very, very interesting. In fact, it could be the source from which we might find a better method of handling land titles and ownership.

(Too late for last week)

The John Patterson family visited their parents near Groom after Sunday School Sunday.

Arlen Wesley injured his ankle and was unable to go to the football game at Baton Rouge, La. He visited his grandparents, the J. W. Wesleys, Saturday and Sunday.

Mrs. Ella Hext and Arlen Wesley were welcome visitors at church Sunday morning.

Visitors in the J. W. Wesley home Sunday were Mrs. Ella Hext, Mr. and Mrs. G. E. Wesley, the Rev. and Mrs. Landtroop.

Those visiting Mr. and Mrs. Woodrow Wesley Sunday were Mrs. Virgie Cook and daughter, Miss Velma Cook, Mr. and Mrs. Bud Cook and son, all of Hereford.

Gene Shipman visited Sunday afternoon with his grandparents, the J. W. Wesleys.

Mrs. W. F. Barnard, a neighbor of ours some years ago, has been critically ill at her home in Canyon but is reported as somewhat improved.

Mrs. Opal Poston and children of Laramie, Wyo., left for home Sunday afternoon after having been visiting in the parental Charles Sutton home and with other relatives in this vicinity.

Mr. and Mrs. L. G. Airheart and children visited with his parents in Canyon Sunday.

tion recently forwarded me information on 69 federal reclamation projects, or major divisions of projects, in operation during 1953. The total areas now served by full or supplemental irrigation is 7,147,000.

The 1953 harvest established a record in production of 25.7 million tons of food, fiber, forage and pasture crops. This meant there was an increase of about 2.1 million tons over the 1952 harvest.

The value of the 1953 crops from these projects totaled almost 786 million dollars. That would mean the third highest value production in reclamation history, despite some rather sharp declines in unit crop prices received by farmers.

It was the eighth consecutive crop to exceed one-half billion dollars and brings the total if all harvests since 1906 from federal reclamation projects to 9.7 billion dollars. It is well to point out that this cumulative value of all the harvests, to wit, 9.7 billion dollars, is four times the cost, as of June 30, 1953, of all plant, property and equipment of all completed and uncompleted reclamation projects.

It is also more than eight times the cost of works built and operated exclusively for irrigation. There have been many complaints registered against reclamation projects, and many of them have been called socialistic and a waste of government money. Although there have been some failures in these projects, the overall picture reflects that the leaders in this country, who founded the reclamation program more than five decades ago, knew what they were doing, and their work has paid great dividends.

### USE FORCE

The nurse in Scotland was trying to persuade old Mary to take some liquid food.

"Will you take some beef tea, Mary?"

"Na," replied Mary, "I couldn't tak' it."

"Perhaps you would care for a cup of cocoa?"

"Na, I couldna tak' that either."

"Well, what about a glass of toddy?"

"Aye," responded the invalid, "Mak' it strong and mak' me tak' it."

### MAN'S LIFE SAVED BY BLOW

Lynn, Mass. — John Beaver, 22, of Lynn, and Leo McKeeney, 27, of Swampscott, are credited with saving the life of John Vangelist, 23, after both his arms were amputated in a factory cutting machine accident.

Vangelist dashed out of the factory onto a busy thoroughfare and the young men, seeing him, knocked him down so they could apply tourniquets. Doctors say their prompt action probably saved Vangelist from bleeding to death.

A farmer told his hired hand to drive into town for some supplies. The hired hand returned a full hour later than he should have. He protested to the raging farmer: "No sir, I wasn't wastin' time at the saloon at all. It's just that I picked up the parson down the road about three miles and from then on them pesky mules couldn't understand a word I said."

A professor who had taught for many years was counseling a young teacher. "You will discover," he said, "that in nearly every class, there will be a youngster eager to argue. Your first impulse will be to silence him, but I advise you to think carefully before doing so. He probably is the only one listening."

Lawyer: "But you can't marry again. If you do, your husband clearly specified in his will that his fortune will go to his brother." Widow: "I know—it's the brother I'm marrying."

## District Governor Visits Lions Club

The Canyon Lions Club was host to the District Governor of 2-T1, Jim Ed Waller of Plainview, at its regular luncheon meeting last Wednesday. The district governor was making his official visit to the Canyon club.

He was accompanied by Deputy District Governor Bill Hunter and Zone Chairman Don Stark.

The district governor praised the progress of the local club and its efforts to further Lionism in this community. There are 11,084 Lions Clubs in 95 countries, comprising a half million men, the speaker said. Lions International is the largest service organization in the world.

The Canyon club gave the district governor a brief case at the meeting.

J. H. Buchanan was welcomed as a new member of the club. Guests at the meeting were Orvil Brummett and Woody Pond of Canyon; Lion Van Bates of the San Jacinto Lions Club in Amarillo; and Paul Emmett of Plainview.

## Silver Tea Will Benefit Girlstown

The Palo Duro Mother-in-Law Club is sponsoring a silver tea on December 2nd at 2:30 o'clock in the afternoon at the First Baptist Church. All proceeds are to go to Girlstown, U.S.A.

Miss Amelia Anthony, founder and director of Girlstown, will be the guest speaker. It will be interesting to hear Miss Anthony tell of the work that is being done in this home for girls.

Everyone is cordially invited to come.
